A prompt modification of the wine takes place, as a chemical analysis will prove, and the uric acid increases and soon is combined in its proportion by the action of the ANTI-GOUTY WINE. PILULES DEHAUT

The VEGETABLE SUBSTANCES contained in this Purgative have been selected and combined according to the new method of M. DEHAUT, in order to be *Taken and Digested* at the same time as the food, and to form the most fortifying beverage: the evidently allows everybody to choose, to take a purgative the most convenient hour and means as not to leave off business and avoid the unsavoring taste of all other purgatives. These advantages, which have been proved, have rendered DEHAUT'S PILLS very popular in France. They are invaluable against Constipation and the accumulations. As a mere Purgative, they are superior to all others, inasmuch as they can be taken for several days without any inconvenience, and without drinks and diet. But the greatest benefit is felt in the cure of a great many Chronic Diseases, such as Asthma, Catarrhs, Ringworm, Sick Headache, Incredulous Humors, Gastritis, &c. &c., because the wholesome food which the sick man takes at the same time will make the organs to bear the source of treatment without fatigue. N. B.—CONSULT THE NOTICE which is given to each Bottle, or Box of the Pills, and the Prospectus of M. Dehaut, Druggist and Pharmacist.
