FOUGERA'S Compound Dragees of Santonine.

Approved by Eminent Physicians.

NEW, SAFE, AND EFFICACIOUS VERMIFUGE FOR ADULTS AND CHILDREN.

This preparation, highly spoken of before the Medical Society for Improvement, of Boston, Mass., June, 1858, occupies the first rank among the anthelmintic remedies. Its elegant form, its agreeable taste, its purgative powers, and, above all, its sure effect on the Worms, recommend it above all other preparations, when daily use is for the purpose, not only as a vermifuge, but also as a purgative, instead of Castor Oil, Rhubarb Senna, &c.

Price 75 cents per box, containing 36 roots half a bottle.

NOTICE TO THE PUBLIC.

MADAME LA BLANCHE,

THE GREATEST CLAIRVOYANT AND SEERESS IN THE WORLD,

Can be Consulted at her Residence,

No. 109 Bienville street.

Nothing is more surprising than to hear a stranger tell one's whole history of a past life—even give the most minute particulars. In the house of the many who have consulted her that can deny her superior gift of sight, or that she will lead them, step by step from infancy, recalling, one by one, the most prominent incidents of each year of their lives? What one who has seen her not will admit that she has brought back most vividly to the mind, scenes of youth and manhood—friends dead and absent, and circumstances deeply hidden away in the heart, should impossible for another to discover? And yet she has, with her superhuman power, brought forth from the hidden depths of his mind, and laid it bare before him. And those that are afflicted with unhappiness should consult this truly wonderful lady at once, for the cures that her medicine has effected in this city alone, have established for her an unprecedented reputation in her profession.

Madame LA BLANCHE's residence, No. 109 Bienville street, between Rousseau and Dauphin streets, two square below Canal street.

Consultations given in French and English. Terms for Ladies and Gentlemen, moderate to suit the times.
