Palaran units, 41 F Dalaus. St. Peter-Street, between Bourbon & Rayal NEW ORLEANS:

WEDNESDAY, MARCH 25, MOR.

From the London Morning Chronicle. and interesting letter in the Nottingham Review, by Mr. Robert Goodmre. who has recently returned from the United States, where he had been sojousning for four years, and whom many of

et de grandite t'rés dans l'ordre dans lequel ils most excluded from the American mar-mule to ride so fast as 12 or 15 miles un ket. Birmingham already suffers much; hour. The acting manager resorts:but it is the opinion of many that the duties on iron will berevised at the en field will, probably, not be much affected It always appeared to me that these two branches of trade would be atsongst the last to take their flight across the Afantic; (but I am weading on tende article imported It is a common garing in Western America, that a garment of British cotton will weigh twice as much before it goes to the launderess las when it returns .- That in fact every square yard purchased contains as great a weight in paste, gum and other ingredients, forced by the powerful hydraulic presses of Lancashire between the Hence, the Rhode Island cotton, the each so hold three or four mules. higher in price and courser in appearly among the foreign goods, even beto tons have been shipped."

be severely felt in America than with us A lost of bread is of more value in J B FAGET .- Directeur, Nottingham than a pair of stockings. rue de Chartres, No. 118, entre les but in Ohio and Kentucky, ten loalves can be bought for the price of one pair. If then this pair prove bad the disappointment is not trivial to the man or women of small means. The currency still faither increase the evil—there is no copper coin passing out of New England, and if the purchased price of such article has been 3 let as, the trader is not likely to take 6 de 2000 which he must do on a single article 1600 or appear poculiar. I have no doubt, in deed, that many of she deductions which tont de 3000 have been forced upon the operative. do 1800 and which have not added to the profits do 600 of his employer, either in Lancashire of do 3450 Norts, have failed to reach the pocke do 2760 of the wearer, but have evanorated am ong some of the middlement lying bet ween the one and the other. I am awa re that to all this it will be replied by

re the tariff. There are several circum-

stances also which cause this to be mo-

the manufacturer. I must make such erticles as I can sell.' Very well, go on-prefer a present trade in an article made to well to a lasting trade in one of substantial value. Four will never hear the complaint of the wearer, nor will your American agent -he does no appear in the sea-port; but remember, in that country the wearer himself is the law maker, and as he perceives artizans in a new branch settling with him, he will try their goods and if they are found more durable, he will get a protecting duty, to e-able them to cope with British trash, and to exchange his articles for produce, which cannot be done with foreign goods, as 100 they are paid for at suction in New-York, Philadelphia, or Baltimore, with redy money. Then it will be too late to olter, as I am persuaded it now is it regard to the goods of Lancashire; and the hosier, the agent, and the salesman. may all look out for another mark t. On the contrary, a good trade might in my opinion be still carried on with the Americans in the three-im-

worsten hosiery. The present tariff is rather favorable than otherwise, as the nublic mind in wholly directed to the manufacturing of other articles than stockings. It will, however, require to be carried on upon principles rather dif ferent from the plans now adopted. I en also be attended with difficulties

and impediments, but not greater, than the ingular and perseverance of Mot tingham, Leicester, and Derby, are fully able to accomplish."—She field Iris.

Some volumes have recently have pu-which we have the poblish to-day age. To win Ton Round in

Those of Mr. Brougham, referring to President Monroe's celebrated Message wherein he declares that this country would view with dissatisfaction, any future attempt of European Powers to codonize on this Continent, are particular ly worthy of notice. The effect produced upon liberal minds in Europe, by that noble declaration, is contrasted (we are obliged to say it) uniavorable for us with the poorness of spirit which, two years ago, could permit leading members of the American Congress to de-THE AMERICAN TARIFF. Panama might that very decleration we extract the following from a long as an unsubstituted, ill-advised, and dinteresting letter in the Nottingh-dangerous completes of the country.
