BRINTED BY J. BAYON, DELAUF & DUCLERS NEW-ORLEANS: FRIDAY (Eventso) MARCH 26, 1830.

From Monday next, the Bee wil be published in the morning.

Yesterday afternoon about 4 o'clock, an ap plication was made to the city-guard by the owner of a runaway uegro, to have him arrested the guard enquired whether it was necessary to Rutliff, all of the same neinhborhood, strange people, whose language I could send two men, and was answered that the negro After my services were rendered to not understand, they would make no alwas very submissive, and that one man would be enough to conduct him a not withstanding, the officer ordered two of the guards to go with the the city of Natchez, in order to receive would suffer; but my plausible excuse owner, and they went on the Bayon road where my pay, with a determination again to would not do; I was committed to juil Milns. As he was almost naked, his master ordered him to put on his clothes and to follow cause, did not make sale of his cotton him. The negro feigned to obey and pretended and could not pay me, and I was forced to look for his coat, when all at once he rushed again to return to Franklin. on one of the guards, wrung his sword out of I enuaged to oversee for do supremo, son los mismos que severe blow with it on the head of the other John F Witherspoon, who lived near signed my death warrant, and appointguard, which cut his hat, and with another blow a little vil age called Meadville Here I ed my execution on the 23d of Decemseverely wounded him in the wrist. The mass became a hard drivker, we withstanding over, but the high sheriff was a French han atribuido sus sentimientos ter of that negro irritated at this daring impuin the arm; another person who was present fired a third pistot but missed him. The negro then see for William Chaney -commenced good his office. s ized an ax, and breaking down some planks, the 5th of January, and continued until escaped through the garden. A hunter who hap the 5th day of April following, at which pened to be there at the moment fired at the requestof the master his two loads at the negro, anas, lo juro, jamas he envilecido mi carac- which hit him in the back and the thigh and about nine o'clock at night-the house new warrant has issued, and that I am ter con la idea de subir al trono: calumnias brought him down : it was only then that he

corroborate the opinion which we expressed a wound, which left a scar on ms chin : a Desengañaos Culumbianos, mi unico few days ago, and to convince those who pretend widow woman and three children ulso enh-lu ha sido el de veros felices y quietos: that the city guard ought on no occasion to make use of their arms? We do not wish to influence the opinion of any one, but it seems to us that this last occurence will be sufficient to enlighten those who will be called upon to decide on the been made about the loss of my ear; ed, and have all my sins washed away. fate of the city guzzel, who is to be brought in a some have stated that it was cut off, but few days before the criminal Court for having

> Cutinustion of the CONFESSION OF EDWARD CULLEN, Who was tung at Tihodauxville, for mordering Rugh Gullihor.

Before I had an opportunity to perpretrate my bloody design, he talked of m inv preparations for the trip. I watched his manœuvres narrowly.

One Sunday morning he bid his de marquia, dejando à nuestros hijos por friends farewell in a secret manner and set out. There was a foot path I ad-At punto de coucluir nut carrera política, ing through the awamp, that was not oscuchad concludadanos, mis postreras one third of the distance he had to go voces. Si quereis no volveros los animos This path I trok and headed him in good time. He did not discover me, and from some motive left the road. and advanced near me, when I immediately shot him dead with a musket.

I then tied him on his horse, and took the body to a remote part of the swamp, and there killed the horse. I found to my great astonishment, in the possession of the decessed, three thousand

that I would go into the swamp for the and went down to Natchez to receive sus Christ, who, I believe, died for the purpose of getting out timber for a raft payment. He gave me his note for one chief of sinners. Habiendo tomado en consideracion este to take to N. Orleans. He said that hundred and ten dollars, and paid me he would furnish me with provision; the balance in money. I sold his note which he did, and the next morning, and remained in Natchez two months. very early, I returned to the place where When I fould that my money was from the Alabama Creeks, (says the I had left the dead body, and the horde. The first thing I did, was to kindle a fire; and commence burning both man and horse, which took me three days and nights; to become satisquerer criminalmente mejorar las inperfec- fied that no discovery could be made; at dieliked and quit him, came down ciones que al altisimo le ha placido dejar length I effected it to my satisfaction, to the Grand Gult and got out square the most conspicuous among them. and returned to Mr. Satters I told him tumber and shingless for Coffee .- Lefe that I had been all this time engaged there, came to Natchez, and there met the War Department had ordered the (1) No is muy astrano que asi se pensase in hunting suitable timber, had now deraciocinase en el rayuado de Carlos II. termined on a place, and would com- hired me to assist him down he river in Alabama, within a certain time. For mence the next day. I got a load ready with a flat bout; for my services he pro- which, however, we cannot wouch. as soon as possible, hired a schooner to carry it across the lake; went over myself and sold my timber for algood price. Then found myself very much taken up with the swamp of New Orleans, at which place I would spend fifty dollars in the course of one night.

When my funds were nearly exhausted, I attended a quarteroon ball, and to Thibodauuxville. When we were accompanied a young French girl home, with in four miles of the place of our who conducted me up stairs, and some- destination, the wind blew so hard that time after her father was informed by we were forced to lie by one half a day, and Linton; Wkithall, Jandon and co; Whitning some of the domesticks that his daugh | While at that place, a white hern came | Slark and cot M F Maher; M M Stewart, J Hater had company with her bed-room; and lit near us, I took up an old rusty gan and co; E L Tracey: W It Falconer; J W the old Frenchman immediately same gun, presented, and snapped it; when up-I jumped out of the window, but Gullihor, laughing, said that he suspec- Manus and cot J W Klemat J Byans and cot while I was attempting to cross the pal- ted the gun had not been exploded since Hyde and Durell; W M'Reant Toby; Q P and ings of the yard he exploded a pistol at Noah's Flood. me, but I was informed the next day, I had prior to this, resolved on murby the daughter, that it had no ball in it, dering him for his money, and found and that it was done merely to frighten that I could not pospone the matter me.
