PRINTER ME C. DRIAUP.

NEW-ORLEANS: SATURDAY, OCTOBER 24, 1829.

The late French Cabinet. to the people an augmentation of pow-

tion of existing institutions. ous faction. The Ministry in question had eftended the areedom of the press, abolished tutionnel in announcing to-day the acthe power of reviving the censorship at cession of a Royalist Ministry say. hraldom of an increaching body of religionists, and promoted in one res-nel nor any other Journal. Declamapect the purity of elections by securing ions are out of season. We have had the correct enrolment of all persons enough of them for two years. We

will are entitled to the included in the must now move on facts—facts are the lists of electors. It also attempted to only power which France will recogsideramos como anti-constitucional, como transfer from the general government nise. She has been once more duped, aubversivo del sistema que nos rige; como to the Departments and Communes the and by the Grace of God it will be the el principio de nuevas calamidades públi- direct management of the local con- last time. A six years disgrace and cerns, -of the latter so as to enable wisfortune is a tale for children. The them by means of departmental and hundred days and the short periods of Communes the direct management of the local concerns, -of the latter so as to enable them by means of depart- disastrous, really disgraceful epochs. mental and commercial councils to be were not of long duration." elected, and not any longer to be appointed by the crown; to raise rever to Lord Weilington or any other fornues and apply them in various ways to eigner, and charges the liberals with a roads, public buildings, the poor, &c. disposition to make France subservient much in the same manner as takes place Bolivars, Bichos and Pepes. in the towns and counties of different positions of the United States. In this purpose, however, they were defeated by the liberal party, who would take nothing, unless they could at once have all they demanded. The proposed quota of electors (40,000) was said to he too small, and one of 80,000 was therefore inexorably insisted on. This pertinacity on the part of the liberals afforded the Courts welcome pretext for instantly recalling a concession which it may fairly be presumed, had been extorted from it by the urgent expediency of complying with the demands of the Chambers. A part of the Ministry, in the most critical stage of the debate, with frew, (apparently to consult together.) and to the evident dismay of their colleagues, and to the astonishment of promised an indemnity for Norway. the Deputies, informed the Chamber which was forcibly taken from him, that His Majesty had been graciously could not obtain even an increase of pleased to withdraw the projet de loi for his Duchy of Holstein.—This Monarch organization of councils in the Departments and Communes.
