TOTAL TOTAL CONTROL OF THE PARTY OF THE PART STEPHEN MAZUREAU, Esq. at the solicitation of a number of his friends, has conplace fo Gen. Gainnie, resigned.

wight from New York, in the remarkably short passage of ten days, we learn that there had been an arrival from Liverpool, bringing acounts as late as the 4th of Jan. We were not able to get a sight of any of the papers, but Married verbally, that there was news of much Touching upon Varsovie, at the head of an army replial of Poland-men, women and children were arming for its defence. As soon as more ample details can be obtained, we shall hasten to to lay them before our readers.

CRIMINAL COURT, FEBRUARY 21.

The State | Murder.—The defendant in this case was accused of havrpnimo Chili. ing murdered one Antonio l'er-The jury returned a verdict of guilty of daughter;-the court sentenced him this day an imprisonment at hard labor for a term of years and to pay a fine of ten dollars.

Larceny.—The defendant having been convicted of the a-John Feddy, bove offence, the Court this day To consideration of his youth, sentenced him to in imprisonment for the term of three months, Inc. to pay the costs of the prosecution.
The court then adjourned until the first Mon-way of March.

WATHINGTON, FEB. 1. The termination of the trial of Judge Peck

Lives both houses at liberty to carry on the ordidary business of legislation. Among the unfin-Tihed business is the general appropriation bill, on which a sharp discussion had commenced on the motion of Mr. Stanberry, to strike out The sum appropriated for the salary and outfit of Mr. Randelph. It is probable that this debete may be resumed to-day, and that Mr. Burges Well have the opportunity to reply to the infirm prehension that some friend of the Administration will attempt to check the debate, by a deand of the previous question; but it can scarcebe expected that a majority of the House can which, according to the expression of M. even nationality itself must cease to exist. the freedom of discussion. The people every Where have been provoked to indignation by the well authenticated statements which have been published of the manner in which Mr. Randoloh all a newlected the interests and injured the repuon of the country he represents at the court the Crars; and a full and free discussion of the subject they have a right to expect from their representatives, whose silent appropriation of the pay and outfit of this inefficient Minister might Itis said that Gen Rezaiacki has shared a similar ties. If the money could be withheld without Kornstowski. It is rather strange that this reincurring any risk of offence to the court of Rust giment was full of conspirators in 1826, and that we presume that the appropriation would be licken out by a vote of a majority of the louise; but it is probable that a desire to prevent gone over to the Polish party. such a consequence will induce many to vote tered by such superior obligations, which

It has been officially and semi-officially announced that General Jackson will serve again, Lected. The American Sentinel rejoices, because this willingness "will effectually prevent if these jealousies and heartburnings which were likely to arise among his own friends, in relation to a successor." This consideration is a phole volume for commentary on the situation of the Republic. It shows to what complexion headmirable patriots! with your "jeelousies and heartburnings," or your fears, which determine allotment of the Presidentship!—Nat. Gaz.

would refuse,-Nat. Journal.

HENRY CLAY .- The life of Henry Clay this been one of renown: for his early, unremitthe Constitution, he has the gratitude of Republisans.-Extract from the Speech of the Hon. Martin Van Buren, at the capitel in Albany, N.Y.

Wool.—The number of manufactories in the State of Massachusetts is 208, exclusive of a lifes number employed in custom work. It is difficult to ascertain the quantity of wool manufactured at these establisements; but averaging the amount of goods made at each at \$15,000, the total value of woollens manufactured annually in that state, exclusively of those made in families, is over \$3,000,000.

NEW YORK, JAN. 31. The ship news brought by the brig Dromo Matanzas, confirms the capture of all the the captain of them Antonio la Tonta, was splered to be shot on the spot et which taken, worst of all pirates had often washed his hands in the blood of many of our innocent

Upon execute it. Messrs. de Polignac and Perronthe first proclamation of the aucient law of the net, with Mr. Thomas a superior officer of the Pospolite, the Nobles take to horse, and each palatinate is collected under their banners. By the ship Nile, capt. Rocket, arrived last Phere cannot be the slightest doubt but that in a very short interval. Poland will have a considerable army to defend its rights.

It must be admitted that the country. [being hemmed in upon all sides by Austria, which is in possession of Galicia, from Cracovia, as far as Sandsunerz; by Prussia, occupying the Duchy of Prozen, which commands the principality of Interest from France. It is said great excitement Plok; & by Russia] will require the exercise of all ridges, upon reaching Paris, proceeded along its chergies, and the united efforts of its military population, to perfect the step it has just taken. Atlam Czartorisky, who has been placed at the head of affairs in Poland, and who must not

signed his command of the National Guard, and be mistaken for his father, is a person of great Count Lobau had been appointed to succeed him. vigor and talents; he had heretofore presided by it may be also connected with the disturbance amongst the University of Wilna in 1821, and the Political Associations established by General Dombrowski. If this be the case Poland will

rise to a man in defence of its rights.

Even the name of Russia is detested by the Lithuanians; and the Polish troops, formed into columns of the National Army, and obliged to turbarce. receive the word of command in the Russian dialect. only waited for a favorable opportunity of joining in a revolt.

In time, throughout the Grand Duchy of Posen the Black Eagle of Prussia, which has figured upon the public edifices since the Congress of Vienna, is every year, covered with mud, or thrown down, although the severest measures have been adopted by the Government to prevent this demonstration of discontent. "Polonaise," and J J Rousseau, "you cannot

prevent your enemics from swallowing you up but, at least, hinder them from digesting the meal." It appears evident that the people of Poland of the present day are determined to fol-low the advice of your centrated writer,

[From Le Globe of Saturday. We have received intelligence that the two Lithuanian regiments under the immediate command of the Grand Duke Constantine had passed over to the party of the insurgents. it is said that the other Russian regiments are evacuating Poland. It is said that the Prussian' Government has

just issued an order, directing 30,000 men to march into Prussian Poland. The united wishes of all Europe invite France to occupy the first station amongst the different Powers; nothing ought to prevent her from accepting, with feelings of pride, this post of hon-

or. The hour has arrived in which she ought t establish among all nations, the community of opinion and political interests, in presence of which, according to the expression of M. Mole,

Letters received from Germany, by the ordin ary mail, describe the deep impression which the first news of the insurrection in Poland had pro lucad.

WARSAW, Dec. 9 .- The news which we nnounced yesterday is confirmed. The Generals of the Polish army, Maurice Hanke (a German by birth) and Vincent Krasinsi, tools of Russia have been hanged besides several colonels. be received abroad as an approbation of, or at fate. The Polish regiment which crossed the least an acquiescence in, the eccentric movements Vistala with the Grand Duke Constantiac is the he has described in the circle of diplomatic du- regiment of Chasseurs communded by Gen.

gone over to the Polish party.

The same letters bring intelligence, unfortuan appropriation which they disapprove, and, nately, but too probable; that 20,000 Prussives were marching upon Warsaw. The public excitement is at its highest point, and a terrible and sanguinary contest must be the result. It is stated that the fortress of Mo lin, situated about 8 leagues from Warsaw, has been taken by the National Guards. It contains an immense quan-

tity of powder. It is, however, certain, that the Russian Ambassador received most important news this morning, On opening letters from Count Nes-selrode, he appeared astonished with surprise. He received an order to direct all the Poles in we have come at last; upon what principles the Paris to quit it immediately. No excuse will cappire is now disposed of. Worthy "friends"—be received, except that of lilacss, certified by the Physician to the Embassy.

The Provisional Government published a deerce on the 2d December, ordering a levy of

FROM THE POLISH FRONTIERS.

December 4.-Respecting the events & Warsaw since the 30th of last mouth, of which we had no details, but what are " be found in the Journals of that city, we have learnt subsequently only a few fragments. According to these, several attempts are said indeed to have been made towards an approximation between his Imperial Highness the Grand Duke Constantine, and the new council of Administration, but hitherto in vain, though it is announced at the same time, that on the 2d in the evening, four members of the council repaired to the head quarters of his Imperial Highness.

Yesterday the following printed hand-bill was circulated in Warsaw: "I. His Imperial Highness gives his assur-

ance, that it has not been his intention to attack the city with the troops under his command. Should hostilities re-commence, 48 hours previous notice must be given.

2. "His Imperial Highness will recommend to his Majesty the Emperor graciously to forget what has passed. 3. "His Imperial Highness gives his assur that he has not given my orders to the Lithuani-

an corps to enter the tringdom of Poland. 4. "The prisoners shall be set at liberty." The Polish Yager regiment of the guards, some detachments of the Polish infantry, and several pieces of cannon, which had hitherto reminined with the Grand Doke Constructine, have ACKELEL &c.
