NEW-URLEANS, WEDNESDAY MORNING, MAY 25, 1831.

The Supreme Court of this State has, by i has decision, acknowledged in principle a rather at Lima that war would er sue, A few dayimportant fact; it is that the ordinances of the news reached Lima of the occurrence of a de-Ciry Conneil, in order to be obligatory and have structive fire at Guayaquil—the loss estimates viges and force of a law, are required to be pub- at three millions of dollars. The house and lished in french only.

for an insertion, a communication under the cap- were saved. His lose was consequently incontion of The church-wardens of the church of St. Linis of the city of New Orleans, sitting of the 22d of May; this article will appear to morfow.

DALLIMORE MOV 11. LATEST FROM RIO JANEIRO. A commercial house has politely favored us with the following letter, received per ship Lou don Packet from Rio, dated Rio, March 19, 1831.

The political affairs of this country at the present mos-ent wear a very unfavorable aspect. There are two strong parties here, Brazilian and Portuguese, and much party spirit was evinced on the occasion of the illuminations on the re-ture of the Emperor, having been affect for two or three menths—blows were exchanged, some hilled and many wounded: the former are much exasperated, being under the impression that the Emperor leans to the side of the latter buth vow nce: we the bowever at present tranqui in the city, but we fear much we shall have serien disturbances, not only here, but in all the ovinces—i owever we hope such unpleasant urrences will not take place.

## From the Norfolk Bencon. NATIONAL COURTESY.

We take particular pleasure in recording such sances of untional courtesy as that so handsomely recognized in the following polite letter of Cape, Duhaut-Cilly, of the French Governwhile they reflect credit on our national char pater, they are promotive of other valuable pur-

(TRANSLATED.) On board the French Carvette DIANA, § Chesapeake Bay 6th, 1831. Mas-us. Enviors-We sailed from Hamp ton Roads this morning, and in passing near of 21 gone : the Artillerists immediately quitthe their occupations without the wall, and very soos efter, our salute was recurred with inter-

A calm compeled us, shortly after, to come to anchor about three leagues from the Fortress when we observed the steam boat Hampton standing for our ship, having on board many Ladies, Officers of the Fortress, and a large number of respectable civizens. The music of the garrison, in full band, struck up the Marartile Hyma and played other French airs. The adies had prepared a tri-coloured flag, which nated on the brane by the side of our glorious store : the steam-best was then made fast alongside, and the whole company on board did us the hours of a visit, after which they invited us to go on board the steam-boat with them, where any complimentary tousts were drank with the greatest curdiality, and the most lively enthuasm. When we were constrained to part, th Ladies waived their han kerchiels, and reiterat ed huzzas were for a long time wasted on the eseze. At this moment an American Corvette's onstrations of good feeling.

annot, Gentlemen, take my leave of this and of liberty, without expressing for myself, and on behalf of the Frenchmen 1 have the honor to command the lively gratitude with which we and impressed by the very flattering reception which we have met from her noble children. I shall esteem it a peculiar favor, Gentlemen, if you will give publicity to these sentiments

ining your numerous subscribers.

Accept, Gentlemen, the assurance of my per

PHILADELPHIA, May 9. The Conal .- . The last number of the Harris. borgh Reporter says :- " Business continues: very brisk on the Pennsylvania canal, and we learn from the collector at this place, that his receipts for tall for the last two weeks, amounted to nearly two thousand dollars! We also learn, that the Western division is doing much hetter than was anucipated. The business done since the opening of the canal, and now doing, warrants us in the belief, that before many years the following, which we sopy from the Roches-New-York on al, may be applied with the same truth to Har isburg, and fifty other towns along the vest line of Penneylvania canal. Western Pennsylvania, is as extensive and fertile as Western New York, and our mineral production fre much more abundant than their. There is se good a market in Philadelphia as at any other port in Union; and the much greater avantage and safety with which produce and merchandise, of every kind, can be transported on the cause than by any other method, all establish the con-Musico, that as sout as our line of canal are completed, the business done upon them will be businesse, notwithstanding all that has been pro-

A committee of the citizens of Fredericksburg, Virginia, have issued a Memorial, in which they solicit a subscription throughout the United States, for the purpose of removing and entembing the remains of Washington's mother. We annex the two first paragraphs of the ad-

phecied against them.

a actfully represent:

That Mrs. Mary Washington the mother of the illustrious George Washington was for many years an inhabitant of this town, at at the pany was sometineed, about I o'clock, was exdied here, and was latered in our immediate cordingly well taid out, but the crowd and convicinity where her remains now lie; that the rieinity where her remains now lie; that the fusion of the company were so great, that it could field which contains her humble grave is used scarcely be seen to advantage, as it was an abfor agricultural purpose, and that the grave itsolute scramble for the good things that covered self is unhonored and almost unknown; that the present liberal and high minded proprietor, not thetanding the interesting sae which it is congreted, and which are of aspecial. experienced, which toust was dru k with apby communicated to his domain, has at orne re mounted the influence of selfish feelings, and will realously co-sperate with we in prosuring able Counters. Quadrilles, waltree, and an oca proper and permanent exylum for these, reverwhich is now exerted for their protection, the the conversion must be precised must be process of time arrive when the other objection but the the company were too men and the harrow will obliterate every re some openion but the in mining trace of her who bore, and reared George summerous to be very select. which ended in mutual recriminations, in conequence of which the general opinion prevailed dures occupied by Mr. Sweet, an American mer hant, had been burned, but by the exertions of We received yesterday evening, but too late his friends, nearly all the goods and furniture siderable. One of the papers, in mentioning the fire, states that fifty-one houses had been

The U. S. ships Guerriere, Com. Thompson. and St. Louis, Capt. Shoat, were at Callou.— Lieut. Com. Firzhugh was waiting the re urn of the United State's Schooner Dol phin, from Huanchaco, to take command and roceed on a cruize to be ward, probably Mexico The merchant ships on the coast are peculiarly fortunate in the attention by the squadron of the U. States, particularly Capt. Sloat and the officers of the St. Louis, who spare no evertions when their services are required, and have recently saved two vessels from total loss by their active and humane exertions.

(From the National Gazette.) We have the Jamaica Royal Gazette from

the 2d to the 9th ult. inclusive. The following are the only articles which we find in them, that ssesses any interest for our readers. Extract of a letter from Chagres, dated March 28th, 1831 .- "I have been informed that a courier had arrived with despatches from Carthagena, and the liberals are in possession of all the gun-boats; that two men of war (English) lay

here, to await the decision of the parties."

Chagres, March 29 .- Boca Chica is taken. Extract of a letter from Santa Martha, dated can be easily represed. March 30 .- "Tie liberals are daily gaining ground, and a few days will restore our, until now, unfortunate country to that peace and good government which all good men desire. The ment cortette La Diane, which has been lying people are unanimous. Success is ours, and the in our waters for the last 12 days, satisfied that British Government will shortly see who are the sed the river Styx, have tried to rule with des- with a hasty sketch, nitic sway. But their reign is short, their fate unless they escape) terribly awful. What nev er was attempted by those men (on the contrary, sunstantly retarded by their iniquinus plans) will be the first object of our regenerated Government—the payment of our sacred foreign debts. Speedily will it be commenced, and I hope, as peedily as possible finished. A free and liberal st e ought to have been long ere this, but for her

mesticated Tigers. Fancy Bull in honor of the Countess of Belmore.—A splendid fancy Ball and Supper were given at the Court House of Kingston, on Wedesday evening last, in honour of our much eseemed Governor and his amiable Countess, by a me years, and it was generally believed that the principal inhabitants of this city. Court-House, through the contributions of the Subscribers, was very handsomely fitted up for engaged, or that he ever courted her although the occasion—indeed, we consider that some he had been in the habit of visiting her for three superfluous pains were bestowed on the decorations, as to give a lighter appearance to the room, he superb mahogany pillars were painted whitein a manner that, we fear, will permanently efface the beauty of the wood: and we think it a pity the Stewards did not fall on the plan of chatking them to represent merble, which would ione less injury to their original color. The other embillishments of the room were in a better taste and certainly reflect great credit on the active zeal of the Stewards. About half past and Suite entered the room, and were received absent but a few injuntes, and retuined a verdict by received by ship Eleanor from Marseillen.

M. JAMBU. with murked respect by the Stewards, as well at el not guilly.---Yours, X. y all the company present, and conducted to he sofa appropriated for their accoumodation. By ten o'clock, when the dancing commenced, he room was literally crowded by a variety f the most elegant as well so grotesque costumes, which absolutely "dazzled the eyes and bewit-lered the brain." Some of the principal comlered the brain." Some of the principal com-lians were there in stage attire, and Mrs. Kin och, with Misses Smith and Lane, in the casume of the Rainer family, song the Tyrolesian Vir, assisted by Mr. Keene, in which some comdimentary verses, adapted to the tune, were in-reduced in honor of the no le guests. The onatess, with her usual condescension, appeared to be highly gratified with every attemnt nade to amuse her, although some squamish Ladies might have complained dappression. and an inclination to faint, from the deuse crowd has gathered round the a ngers, when they were handed up to sing before the harl and Count ess; and it shewed that curiosity is too apt, on many occasions, to overcon e the etiquette of good breeding. There were numerous well supported characters present besides the regular comundians; for instance three of the Stewards were in perfect costume as a South American Indian, an English Gentleman of ancient times, and a Highland Chief. Then there was a jolly gormandizing French Friar—a Retailer of at isserts and Des Configures—all villiam Tell a Dancing Master- a Don Quixote-a Sancho Panza-a Peruvian Cacique, and a variety of Spanish, Prussian, Neapolitan, Swiss, Scotch, and Turkish costnues. The Ladies too da played all the elegant varieties of costume that could be imagined likely to add grace to their form, or lustic to their charms—from the simple peasant gir. to the superb Spanish Donna; all were attired with tasteful attention to the s yle have mentioned, in the previous part of this account. that our new Commander of the Forces, We amen the two first paragraphs of the adby his so, and Aid-de-camp, Lieut. Cotton, entered the room about ten of check, and were received with an enthusiastic cheer. He seemed into the law, and State of Virginia, being a

Andrews reports, that considerable preparations European methods was unsuccessful, and it was for war had been made by the governments of found highly necessary to unite with it the form-Peru and Bolivia. The Peruvian army, head- er customs of the country. The mussulmen (toed by President Gamarra in person, had march | gether with the Moors of this religion) were ed to the frontiers. The Bolivian army was subjected to their natural judges, the Cadi ascommanded by the President of that Republic, sisted by the Mufti; his jurisdiction is cruninal General Santac uz. An interview was said to as well as civil, and his judgements are without have taken place between the two Presidents, speed. The exercise of the judiciary powers was taken away from the Turkish Cadi: for the actual condition of the Turks (whose presence is only tolerated) naturally excludes hem from the right of exercising justice. The Jews are referred to their Habbins, who judge. vithout appeal, in both civil and criminal cases the causes between the Musulmen and the ews go, in the first in tance, in before the Joorish Cadi, and not to leave them entirely to he mercy of their former masters, the right of peal lies open to a court of justice composed the French. The court of justice, moreover akes cognizance of all causes between th French, but with six t of appeal in France, b wee the natives of the country and he foreign rs of all nations who are not under the priedic on of their consul. The adult istration of law yers and counsellers is forbilden. The com niseary general is mad judge of simple an orrectional police; cometings assisted by tw ulges. All these judges are haned by the gen a in chief, and are a sutured by him. Judge nents or capital crimes are referred to the ger ral in chief, and capital conshinent can or take place without his sanction. Since the establishment of this jurisdiction

ery thing has returned to order. The action of justice is silent; all causes are decided, and resingle complaint has arisen. The Turkish adi, and particularly the multis of the tango deprived of their jurisdiction, have endeavored to aise their voice : but their efforts to we been unuccessful; it is just to say that there is no un ion any where more obedient to the judiciary

The Jewish mation possess a chief, exercise ng a sort of arbitrary police over those of his own religion; their had faith and hantual torbulence need a particular restract; but he pow er has been defined in such a manuer that the injuries he might do in the exercise of his power

All for Love & a little for Munder.

Tuscalousa, Alabama. To the Editor of the Spirit of the Age. GENTLEMEN-of the Age: You have probably heard some account of the herome of Marion to most honorable—the people, under their own that is to say, of Susan Carter, who was tried rulers, according to law, or their late idol, the at our lase Circuit Court, for assaulting Joseph leceitful and tarnished glorious Bolivar, and his Holiida, with intent to kill him. I intented to villainous faction, Urdenetta, Montilla, Martin, have given you a tuil report of the case; but not and others, who now that their leaders has cross baving lessure to do so I will content myself

On the .9th of January, 1831, as Mr. Hollida was going to be married, escorted by a mir hful company of triends, he was met by Susan Carter. She was on horse ba k and alone. She advanced with a horseman's pistol, and fired at the bridegroom, at the distance of six or eight et. It did not spear that he was wounded .-As she seemed to be in the act of drawing an-Government and free press will convince the other pistol, and he like the famous Larry, not wor'd what Colombia will become, and what thinking out clever for a ball to pop the liver of other pistol, and he like the famous Larry, not one just about to be married, put spur to his norse, and fled in haste. He vent immediately a mile or two to a justice of the peace, had warrant taken into custody, feeling secure, he

went on and got married.

Hollida h d been visiting Miss Carter they were engaged, as she most solemnly affirmed .- The prosecutor denied that they were never he had been in the habit of visiting her for three or four years. He had been heard to say a lew lays before, that he understood that she intend ed to be present at his marringe, and "fortid the BANNS." She was of good character.

On the trial, Miss Carter was ably defended by Col. P. Martin and S. J. Gholson, Esq. Among other arguments used, in her behalf i have had a still better effect, and would have was contended, by one of her counsel, that mulice was absolutely necessary to constitute the offence; and that here, so far from their being any malice, the lady was actuated by directly opposite passion; that her conduct wa tine o'clock the Earl and Countess of Belm re influenced by phrenzy of love! The Jury were

> Landon Police Lambeth Street - A very peaceable looking, pale-taced operation, charged a brawny limbed coal porter—my of the I .wash d' -with having assoulted fum.

> "I were a string quite promiscrious in tap room of the Jody Cardeners, when the dofendant gets into a hargum at with me, which on L. says in . "and what do you think!" and he u.s with his fist and gives one a fine and in the head. So as I wern able to conpete with nim, why I gets up and wake our win this here no servation, that I were ig to surved to holding sitch di course with site felier. He folions me out, and quite an fworfetches me at a kick behind wat sent me sin cl outa the kindle."

> " I have your Vorship," said the ofendar "that there ciry vooted to bounde me as he got a better her desirion than vot 4 h got, and offered to take the coars it out on him in a branch of brong howsondever; but in lead that, the I was busy in discoursing with the company, I in blowed if he didn't take and drink vot I d g a left in my post."

A Policeman here rafor sed the Magistrate that the coadure of the defendant had been exceedingly violent, and the when in custody to nad resisted and severely beaten , int. The M gistrate, upon heart gahis, fined the defendant £ 5, or two mon h's im resonment.

Cavan Assizes-March 16th-Estragrding ry Scene. Hugh Ward, Edward Duffe, and nichet Farelly, were on Wed tesday found guit ty on a charge of whitehoyism. A very curious scene took place at the close of the day. Just as the Judge finished pronouncing the await sen best suited the character and chantenance of the tence of the law on these three unfortunate inch. lovely wearer; nd where so many attracted our one of them, Parelly, surned round in the dock, admiration, it would be invidious to particularize and exclaimed "The sentence is release: I as y from the brilliant coup-d'eil. We should don't care a curse for it.' An indescribable scene of confusion followed—the country prople, who crowded the court in great munbers, fairly took to their heels, and ran acress the tawe think it probable he will be very much liked ble into the Judge's room. So the siving for this and highly respected. The refreshments were day terminated; altogether the scene may be in abuncance, and the supper, to which the commuch better imagined than described.
