S. S.) From the retten broughs. This last measure is pro-American (Alexander Surfactor, S. A.) From babiy not within the compass of the co northern papers, this work must be one of the rier, however, broadly infimates that this course best of the hard, which for a long period has will be pursued in the event of a defeat, a result Lalen under our nonce as dies death justines the which, at the same time, it considers next to imon ises of the Atles. We augus well from such comes, forces beganning: Secitor adacted.

Thinter To Person - The following resonant passed in a point of Addition in the New-

remost warm and sincere; that we have not Lorgotten that the noble Pulishe and his life for us in our struggle for liberty, and that the infus-trious Kociusko found among us a temperary asylum from the oppression of I ola d.

The surmme of abak ask (who parcel th H. Jian,) was, an every one knows, granted to First Marshal Dark took where the Torvich com-putate It is now, he every, said that the Grand Onke Constraine c. B. him by no other name thron Durakorni Veisiauski, which, Identily translated, means "Foot before the Vistale The Grand Duke is always boasting of the success of the Poles. "It is I," be often says "who for med these brave fellows. I made them what they are."

A Homeless Man .- One Jacob O. Neyer was lately committed for trial at Utica, N. Y. for offering at a bank, in that town, a false note of \$1000, with five endorsements. He stated as the reason of his fraudulent presentation, that to the great cause in which the King and the he did it in the expectancy of detection; that second are embarked; and that "it is imposhe had lost all his projecty, and was desirous by sible that the Reform Bill, with reasonable mosome movement hostile to the laws of his coun. diffications in the spirit of liberty, should not try, to secure a steady home in the state prison. His unmatural wish is now gratified, and he is pose, with success, an addition to the extensive "boarded lodged and done for" at the public expeuse an is likely to be subject to the patronage the present system. There must be an entire of the peo; le in that way for half a dez in years to come. It is thought before his prison noviciate expires, he will prefer liberty under any the great measure of reform. circumstances, to the loss of care which may be found in incarceration .- Palad. Gaz.

Salictions. [From the London Times.]

The report of an older of the Beigie Crown to Prince Leopold is again revived, and seems to have acquired some title to belief. We are now told that a deputation of five persons has set out from Brussels for London, to sound the disposition of his Royal Highness on the subject. No information is given as to the authority from which the deputies derive their commission, or the force which they can give to their recommendation. When the former deputation proceeded to Paris to offer their crown to the young labels; in a third they burn a 'counterfeit resem-National Congress, containing his nomination, in their pocket. They had nothing to do, there fore, but to pop the question to the young Prin-ce—"Will you be a large or not?" The royal minor, of course, hal to ask his fether's consent and his tather refused, so that the chour de Bruxelles, as the Porisions called him, could not be transplanted from the Orleans garden to Beigium. But in the present case Congress has given no such authority, and after the five Commissioners have examined the constitutional principles of the British Prince, wood him with fair called the "Burgher Lojon," which was consi Royal Highness to the blash for being so easily at members were yesterday arrested. This af

is a private but a surround, and they are enabled pita', immediately rode to the market-necompa to convine Palace Leopold that three-fourths fixed by an Aide-de-Camp to learn what had or the mondy of Congress that three-tourins happened, but was insulted and pursued. Hence of the Crown of Beiglam with delight. It renpon the regiment of infantry of the Guard, was not occessary, however, for the deputation led by the General, proceeded to the marketto advertise all this in the in aspapers. If Prin- plas, and the Commonal Guard also assembled ce Leopald be not too coy, the Delgance squab. The old market and all the streets leading to it the is at an end. He is invited by the Campress, are occurried by the military; detachments of by the weed by and respectable classes of Bel. Cavalry are posted in different places, and in the gians, in every part of their territory—by the new city a reserve of Infantry and Artillery with heads of the Cathol c jury, as well as the Pro- four cannon, at which the gunners stand with testants; and, if he should accept the invitation, lighted matches. Unforto-ately there are many he will have the approbation and support of the armed citizens among the discontented; however British and French Cabinets, because the Bel-the Communal Gaard shows much good will in British and French Cabinets, because the Figtgians are willing, as a condition of his accepting maintaining tranquillity and order,
the crown, to retinquish the absord precessions.

The Nurenberg Correspondent contains to following the crown, to retinquish the absord pretensions. The Yurenberg Correspondent contains a set territory, which have offended their real letter from Leipsic, which gives the following friends in France and in this country,

To show what en the London Morning Chronicle mentions the loading boroug the loading borough th

guousned at Mr. Ingham's place of residence, mentions the offer of the Russian mission, made to that gendeman. He has refused the acceptance.

The Pensylvania Inquirer states positively that the above appointment has be a received by Mr. Buchanan. These reports we give with due restrictions: facaa est. Mr. Ruchaman. These reports we give with due restrictions: fana est.

We announce with pleasure Gen. It raireds

The above appointment has been received by half sterals are a purpose of influencing the elections, and an elections of influencing the elections, and an election of the sum was to be applied in returning Mr. Ward for the city. The Duke of Northumberland is return by the packet ship Eric, i'm there. We stud to have subscribed the enormous sum of among the rumors of the day, that in the event The London Allar possess a very bandsome and threats, to return a parliament unfriendly to the London Allar possess a very bandsome and threats, to return a parliament unfriendly to of the boroughmongers succeeding, by bribery

possible. The following is the language of that journal:

"Can the anti-reform faction seriously think for a moment that even if they were to be so far successful, with their bribes and with their bor aigh purchases, as again to throw out the bill, (a result, however, which is impossible) the long would place his affectionate and loyal sublately exhibited by the chapter of typesays and (1903) at such a position as to have no choice bethe Polish army, has ereact in every tree and tween an unconditional surrender of their rights the Polish many, has greated in every free and therefore in defence of their rights and mand, services each warmest admiration. Be it resolved, that the congratuations of this city be presented to the early of Warsaw and Sovereign, allow the horrors of civil commotion. the heroic army which has defended it—assur- to commence merely to afford a chance—a poor the few small sales occasionally reported are is a them that our wishes for their final success and desperate chance—of success to a corrupt made generally at a price unit norm. faction and their dopes? No! William the Fourth would, we are sure, in such case, acting reach \$500 bides - namely 37.11 New Orleans at with and for his people, exercise the power 80 a 100. 4413 Uplan is Moine and Tennes which, by some lawyers, he is said to possess, of sec at 79 a 95—because to reign soits. The im destranchising certain boroughs, (an exercise of authority which would, we condess, under different eircumstances, be odious and unconstitutional, but which, in a crisis where a choice only could be made between the despotism of a fac tion, a reform prompted by the power of the Crown, and a revolution pressed to extremities barrels-same period last year 6200. with all the physical energies of the people, would be just and expedient) and then where would be the triumph of the anti-reform fac-

> From the tenor of the accounts in the papers of the latest dates, there is every reason to beheve that the King will not be called upon to exercise so questionable a prerogative. The Courier of the 20th April says, that the accounts com different parts of the country, relative to the elections, are, on the whole, highly favorable pass, as it would be for the anti-reformers to proand baneful influence which they possess under change of opinion-an entire change indeed of human nature-before they can hope to defeat

> The number of new members of Parliament after a general election has generally been about Fix'y; but it is thought by some of the leading prints on the retorm side, that there will be about two hundred in the next Purliament, "so many anti-reform ex-members have received notice to

Mr. Hunt's recent course in Parliament seems to have rendered him highly unpopular. The Morning Herald says of him-"No popular idel, for a long series of years, has had such a timble from the high pinnacle of his celebrity as the ex-member for Preston. Wherever he appears he his pelted; wherever he does not appear he is pasquinaded. In one place they break blance' of the orator's' person, as a fitting termination, no doubt, to the career of a counterfeit olitician.''

Notwithstanding Mr. Hunt's fall from popurity, however, he and Mr. Wood were re electd to Parliament from Preston without oppo-Sition .- Evening Post.

GERMANY.

DRESDEN, April 17. Notwhstanding the prohibition, the Society promises of loyalty and fidelity, and obtained his dered to have a dangerous political tendency, consent to the political match the capticious had repeately assembled. Hereupon strict or Congress may refuse it sauction, and put his ders were issued by the Government, and severwon. Before, the refore, he discloses his mind, ternoon, however, they have been forcibly delihe count to demand their credentials.
