RECENT IMPORTATION.

The Hydroconion, or Rain Bath. EVERY thing connected with the cleanliness of the body; every thing, which may act as preventative of disease belongs to the province of hygeran medicine, which Mr. Schneider has 40,000 in whole, halves and quarter box- lately enriched with the precious discovery of his Hydroconion.

The importation into France by Mr. Walz. of the apparatus necessary to the application of this new mode of baths, has obtained for him the approbation of the society of practical medi-cine, in Parie, to whom he has submitted his process, and ensured him, from the public's general use of his new apparatus, a just reward for the services which has rendered to humani-

These baths, the usefulness of which is generally acknowledged in France, both in a medical light, and markedly in that of public salubrily, present advantages too numerous not to be particularly mentioned, in order to recommend, to the public of New Orleans, the apparatus

The liquid contained in a reservoir above the bath, and yielding to its weight presses ac-cording to the laws of hydraulies, into narrower tubes, fixed in a variety of ways, no as to issue through a great number of capillary apertures, which project it in the form of a water spout on the surface of the whole body, or on one, or the other of its parts, according to the direction of the capillary aperture.

ers, decoctions, aromatic tinctures, spirituous meats. The subscriber has received by distilments, can be alike made use of in the hy-52. Gravier st. judge of the City Court. I shall expose for sale on Monday the 27 day of June, at 12 o'clock at 1000 mon at the correct of Character at 12 o'clock at 1000 mon at 10 In practical medicine, the use of this bath,

from the various modes of its application has produced the happiest results; physicians have already obtained signal success in a variety of cases, such as gonty obstructions, glandular affections, contractions of muscles, scurvy, tardy sail with dispach, for freight or passage, said ship ses Conti street, between Levee and Chartres baying very good accomplations apply to turbercular and cutanguage afficiency. turbercular and cutaneous affections; cruptions of every species, even to the wars-kind; nervous weakness, and in a number of diseases in which it is equally necessary to tonify annimal econo

Considered in the light of a powerful hygeian auxiliary, the use of the hydroconion is not only WANTED—a good vessel, to take the above suit, I have seized the said Brig Avis.

OF The component parts of the nedicine are purely I eget of intherefore one of the safest in the word A SOVEREIGN PEMELY in diseases of the liver, observed is an indicate of the liver, observed in the same of the liver.

dissipation, scrotula and king's evil, old and inveterate ulcers, pains in the bones, rheumatism, dyspepsia, or indigestion, diseases of the lunca. between Royal and Conde streets, now rented syphilis, blotches on the face and skin, w. to swelling of the joints, tetter, mercurial discre-A two story HOUSE, in Conde, between Maine and St. Phillip's streets, by the Catholicon, have become so numerous as

to preclude their insertion in any newspaper .-A lot 32 feet front, and 120 deep, with The unrivailed and very extensive character which it has enjoyed, for the last six years, as a complete renovator, and purifier of the blood and de between St. Phillip and Dumaine streets, complete renovator, and purifier of the blood and humore, both in hospitals and in private prac-A cartman and tumbrel, hired out \$350 per tice, is a substantial basis for its future support. It has obtained its present great distinction by the extraordinary success which has attended in in the healing art, while every avenue and track have been searched in vain for its parallel; its discovery is one of the most sacred boons that can be afforded to the unfortunate martyr of disease, and it is most sincerely hoped that the sympathy of the public will be aroused to the promulgation of its inestimable merits. Proofs or the value of Potter's genuine Catholicon;its healing powers: its usefulness as a general restorer of health: the city of Philadelphia alone could furnish thousands of witnesses, to contra lict the base and malicious fabrications which daily emanate from the jealous.

What, we would ask, can be a stronger proof of its utility, than its success in the Pennsylva nia Hospital. Philadelphia Alma House, and the Philadelphia and New-York Penitentiaries, and in other public institutions alike serviceable, where the eminent skill which presides over them had been exhausted in vain. "These facts speak trumpet ton rued' and cannot be gainso many spurious mixtures manufactured in iniitation of this inculuable medecine, some dasun . ing to possess equal virtue, and vended under the same titles some have gone to the daring extremity of refilling the old bottles with the labels on; whilst others, to filch the public, have nublished for their benefit the very certificates which the propriator of the Genuine Catholicum had obtained from those who were cured by his

medicine, of various distressing discusses. Thus has he been assailed in every form by envy, jealousy and fraud; and thereby prevented extending the unefalases of this great and long rished for remedy.

Just received, direct from the mounteet the proprietor, a fresh supply of the Geneine Poller's Catholicon, and for sale at the whole sale and retail Drug. Medical and Chamical warehouses of
