> to preclude their insertion in any newspaper .-The unrivalled and very extensive character which it has enjoyed, for the last six years, as a complete renovator, and purifier of the blood and humors, both in hospitals and in private practice, is a substantial basis for as future support. It has obtained its present great distinction by the extraordinary success which has attended it in the healing art, while every avenue and track have been searched in vam for its parallel; its discovery is one of the most sacred boons that can be allorded to the unfortunate martyr of discase, and it is most sincerely hoped that the sympathy of the public will be aroused to the promulgation of its inestimable merits. Proofs of the value of Potter's genuine Catholicon:its healing powers: its usefulness as a general restorer of health: the city of Philadelpine alone could franish thousands of witnesses, to contradiet the base and mulicious fabrications which daily emanate from the jealous.
