There they stood, the children of the forest, "the knights of nature's day, with all of his hypocrisy, but without his singing, half-yelling a maudlin song in the soft guttu- assembly of the Peers and Commons of Parral Choctaw dialect. But never was harmony more liament, to meet in Dublin on the 9th of Janudiscordant; they quarrelled, and the lie direct was ary next, to take into consideration the high and given In such cases, Indians, like other gentle-mighty affairs which appertain to his kingdom men, are very fastidious; and the insulted party did displacements. seize himself of a cow-hide, and administered to his threatened to be enforced with more unrelenting from the shambles, did manful battle in defence of his tawny shoulders—the market-house for an Exchange—a group of victuallers for spectators. Eh, considered worthy of filling any place of honor Sirs! gentlemen castigators, the bully of the woods or distinction in the service of the Irish Dictahas infringed upon your rights, and your "occupa- tor. Tremble therefore ye Irish senstors-ye tion's gone!" Oh, for a poet's lyre-or pen-to who vaunt yourselves upon your lofty indepen sing in epic verse the march of refinement!

MEXICO.

the arrival of the Emperor, affirms that, according of the States had evinced their disapprobation of the occurrences at Vera Cruz, and their resolution to stead the general government, in the con'est .-Official proclamations, and professions of faith, on the part of governors and legislatures, have no doubt, been lavished; but such protestations argue Dec. 21 nothing against the colour of public opinion; and we still believe that Santa Anna has not sprung so dreadful a mine, without calculation for the recoil. The people are not always properly represented by the functionaries; and the people, we think, will be true to the nselves.

Professor I. T. DUCATEL, of the University of Meryland, and editor of the Baltimore Times, an Mr. Morris and Mr. Stubbs, had not sent in excellent iouinal of the arts and sciences, has been their accounts when the report was made up, Society. Off the 27th of December last, the same I have heard of more cases and twelve deaths. Specula gentleman was made an honorary member of the Philadelphia College of Pharmacy.

Washington

cases that daily spring up is really alarming.

The reform bill does not appear to have made any new converts; there is, judging by the late accounts, a species of stagnation of feeling on the tornical Theotre. -The Aberdeen Journal gives subject. Let the aristocracy see to it: nature is the particulars of the destruction, by the mob, oftentimes, hushed into an awful stilness, previous of an anatomical theatre in St. Andrew's street, to the elemental war that heaves her lowermost since the threatre has been opened, the lower classics that city, on Monday week. It appears that foundation foundation.

tre of a serious riot, in the sequel of which, so ana- to be the continual receptuc'e for dead bodies. tomical institution was destroyed. The disturbance but on the morning in question, a dog in the does not appear to have originated in political excitement; it is attributed to a burst of popular in- ed till the number amounted to nearly 20,000. dignation, upon the remains of a dead body being A cry was raised of "Burn the house; down dug up in the vicinage of the anatomical theatre.

The London Times of the 31st states that it was currently reported, that an alliance between King fell down with a tremendous Scrash. Mr. Mair, Leopold and the second daughter of Louis Phillip, a surgion connecte I with the theatre, parrowly had been agreed upon, and the marriage contract ac- escaped with his life from the infuriated people,

A Norton.-It is proposed that the citizens should contribute a bit a piece, for the purpose of buying satin ribbons with Washington's bust printed on them, to distribute among the jusceniles of the city, it the approaching celebration. Should reopte approve of this, let them appoint receivers in their different little coteries, who may co-operate in effecting their design.—Free Press.

LIVERPOOL, Dec. 31 .- The extensive woellen house of Halliley and Smallpage, of Leeds, has stopped payment.

The number of Poles at present in banish-

ment amounts to 62,000. The lace trade of Nottingham is at the pres-

ent moment, depressed beyond all parallel. Several ladies have been thrown into convol sions on hearing the unknown tongues at Mr. Irving's Scotch Church, and at the present mo-ment there is a young lady laboring under mental derangement from the same cause!

The metropolis was enveloped, on Saturday it has been visited for years. The mails and

The metropolis was visited by another dense fog on Tuesday at noon. The darkness while it lasted was greater than it has been remembered to be at noon day by he most observant meteorologists. It soon, however, passed off.

The Duke of Wellington remains seriously adisposed at Apsley House. His Grace has by no means been improved in health during the

By accounts from Malta, it appears that preparations were making by the officers of the gar-rison and of the fleet, for an entertainment to be given on the 2d of November to Sir Walter Scott and his daughter.

Lord Bougham is no longer a regular contributor to the Edinburgh Review, but he is known to have sent articles to the daily papers in favor of Reform, taking care however, to have them copied by another hand before they were sent,— Court Journal.

But, dreadful as this is, two of the surgeons, elected a member of the American Philosophical & from it, it now appear there are, in addition to tion as to the cause of this sudden and destructive visitation appears to be paralysed by the The northern mail brings New York dates of the cases are women, and I am informed that a very 2d, and Charleston of the 9th instant. None from great proportion, both of the males and femules have been addicted to spirit drinking. Severa By the arrival of the packetship North America, it must be admitted have been attacked who at New York, we are put in possession of Liverpoct and London dates to the 81st of December. The the immediate predisposing cause of the attack tenor of the general news, with a very few excep- has been the tippling carried on, on Christmas tions, is substantially the same as that received directly, and through the channel of Savannah. The many poor people badly off, to assist or aggrachief feature of intelligence is the rapid extension of the cholera in England; though its violence seems which forms the most airy and healthy part of to have allayed in those pl. ces, where it originally the parish, there are four or five cases at least. In appeared, it has taken a northern direction, and Gateshead, at first, I am afraid some were lost for want o cholera having appeared almost like a thunderbolt. This will of course not again occur.

Riot at Aberdeen-Destruction of an Anases in Aberdeen have looked upon it with a sus Aherdeen was on the 20th of December the thea- picious eye, in consequence of its being known back ground belonging to it, having dug up the remains of a dead body, a nob gradually collectwith the Burking shops," Shavings, fir, tarbarrels, and staves were quickly procured and lighted, and within five muntes the back wall tually signed. How will Dutch Bill like to see the and two students, who were recognised, did no lily of France sticking in the mane of the Belgian "scape but with difficulty. The building was completely destroyed, and had not the mob bein kept in check by the sight of the military, who were called out, other acts of violence would, no doubt. have been committed.

ing on beard about 300 half pay officers and volunteers, principally sailors, to join the experience of per week, dition about to sail from that place under Don Pedro, against Portugal, or, as some think, the Vestern Islands, where the sovereignty of Donna Maria is already partly acknowledged. It now appears that the Lord Blayney was forced by a gale on the 16th to take shelter in Milford Haven, and to get a supply of coals. She arrived and anchored off Milford on the 20th, at 11 A. M. when between 100 and 200 of the olunteers forcibly left the steamer in shore boats. although threatened to be fired upon for so doing by the officers on board. These men stated that they had been deceived by the person by night last, in a fog as dense as any with which whom they had been engaged, having sgreed to man transports under the British flag, but that other coaches were conducted out of town by wien they had arrived in "blue water" the officers who were to command them informed them that they were to man Den Pedro's squadron of men of war, and fight under the t'ortuguhse flag. The greater part of those who went on shore teturned to Liverpool by land, some remained, and others rejoined their vessel. The Lord Blayney sailed on Wednesday noon. - Cambrian.

> Pompen. - During the progress of the exca ations in the "Casa del Fauno," on the 24th of October last, a large painting in mosaic, of extraordinary beauty, was discovered. It is a bout sixteen fret eight inches in height; and the human figure which iff depicts, are half the size of life. The King of Naples went to inspect it in company with his sisters, and expressed himself in the highest degree delighted with the

DEATH OF GEN. BERMUDEZ.

cipal," with the little interest that has accrued to without opposition, had advanced towards Halfa, fortune. Thirteen successive years he fought it; while wielded by us; mentally reciting, in their behalf, the deprecation of the psalmist: delicta furventualis, we memineris, Domine. Lord! forget the ventualis, we memineris, Domine. Lord! forget the Svria. Damascus will perhaps be more difficult ambition: and when discurd orgen the submission of Svria. suppose that we shall hear of the submission of tainance of tainan never had rest while his compatitute were in min

on. His efforts were directed to the support of the laws and the government, at id the com-motions which have afflicted our country.— When attempts were made to destroy the political existence of Venezuela, all Venzuelians can bear witness that Bermudez knew how to bring things back to a state of order.

For which of these great achievments, these great sacrifices? for what-did he beat victim of a vandal, a wretch, whom he had louded with benefits and kindness? — Unkeyerd of in-

FRANCISCO ANTONIO CARRERA. IS THE ASSASSIN, THE COWARD, THE

WRETCH, Enormous, horrid, atrocious is the crime which has been committed in the very bosom of the people who adored Bermudez, and where his compatriots reside. Atrocious, horrid, enormous ought to be the punishment.

To what country shall Carrers fly, where he will not be an object of public in lighting? Remorse will corrode his vitals, and the justice of the human race will follow him to the grave. The consequence of his crime is a consuracy of

society against his existence.

In a moment the hope of the people—the firmest pillar of its expectation—has disappeared.

While Bernudez lived, Liberty h d opthing to fear in the East; but now that he is dead, it

exposed to the inachinations of evil men.

Cumanians! Go then and believe with your tears the corpse of Bermudez; go and offer prayer before the Eternal; go, and over the grave of Bermudez, swear to be avenged of his precious blood. The indignant country demands this at

Cumana, Dec. 16, 1831.

Eneas Woodbridge. This min, whose was announced last week, was the most odd and ec-centric person that ever lived in this part of the centric person that ever lived in this part of the country. He was born in South Hadley in 1752.

Through a long life, he refused to call persons and things by their proper names, would say neither yes nor no, and seldom made a positive affirmation or negation. He designated persons in this manner—
the long legged man," the yellow house man," the long legged man," the yellow house man," the physician the "physic man," ac. His common way of answering questions in the affirmative was—" It is pretty likely."—

of answering questions in the annual street is pretty likely."—
In the negative, "It is pretty likely that I did not ree it." &c. His answers were frequently more in direct and uncertain than these. He was once sen to a neighbor's house to get some 'ye flo He did his erraid in this manner-" It is It is likely the woman wants some common fare and some truck to hoist it with." This is a sample of his language. He was an industrious, harmless man, was not de titute of shrewdness, and possessed considerable in formation on some subjects.—Ham. (. Mas.) Gaz.

COMMERCIAL.

Liverpool, Dec. 31—Cotton—The import this week is 6100, and the sales are 13,720 bags at full prices, viz: 180 Sea Islands, at 102 to 14d, 40 stained do, 5 2d to 7d, 5880 Boweds, 4 2d to 62, 860 New Orleans, 5 2d to 7d, 2000 Alabama. 4 2d to New Orleans, 554 to 764, 2070 Management, 454 to 654, 970 Pernams, 754 to 754, 1080 Bahis and Macceios, 64 to 654, 1180 Maranhams, 66 to 754, 10 common West Indias, 654, 170 Expitians, 751 to 86, and 500 Surats, 854 to 554 per lb.

Correspondence of the Journal of Commerce. Liverpool. Dec. 31, 1831. The market is firm for cotton. Sales to-day 2000. The accounts for the cholera are alarming.

The Napoleon sailed on the 24th, healty full of

London, Dec. 80. The cholera is getting rather senious in the Worth of England, say at New Castle and the immediate vicinity, and we make no doubt that folks abroad

Last year, 10608 15967 Increased weekly consumption, 1540 As the returns from London and Glasgow have not yet been received, the above statement will not be quit correct, but we think it will prove nearly so. The stock in Liverpool, taken separately, is declared to be 212,350 bales, of which 136,790 are American, consisting of 7940 separately, is declared to be 212,350 bales, of which 136,790 are American, consisting of 7940

Sca Island, 14750 New Orleans, 34920 Alaba.

Sca Island, 147 will be observed that the stock in the ports is less than it was last year by 45,090 bales, 40, 000 of which are American, the stock of other kinds remaining nearly as before: showing atincrease in the consumption of 40,000 bales, and of American about 70,000. The stock of cotton in the interior is supposed to be rather more than it was at the close of last year. Quotations then for fair Uplands were 6 2 fd a 6 1-2d, and now 5 3 4d, making present prices, with the increased duty, fully Id per lb lower than in Dec. last. In the export of cotton for 1831,

us compared with 1880, there has been air in rease of about 46,000 bales. During the whole of the year shipments of cotton have resulted unentialisetorily; prices gradually gave way until the beginning of Octowhen there was an advance 1 4d to 7-8d per lb; that advance, however, has not been fully main! day. tained. During the last few weeks, there has tained. During the last few weeks, there has been a decided improvement in trade at Manchanter in the highest degree delighted with the acquisition of so splendid a specimen of ancient art.

From a bandbill with which we have been favored, we translate the following, which puts at rest the question whether or not free. Bermudez has been assessinated. Camena is one of the Reastern Provinces of the Venezuela.
