## SALES AT AUCTION.

BY ISAAC L. McCOY.

ON Tuesday the 22d inst. at the Exchange Coffee House, will be sold, 71 lots of ground, situated in Elisabeth-burgh, on the borders of Lake Pontchartrain, and nearly adjoining the site of fort St. John on the one side, and the entrance of the new canal into Lake Pontchartrain on the other. They measure each from 50 to 60 feet front, and of various depths, some equal to about 270 feet, as will more fully appear by the plan thereof, now exhibited at the Exchange; 47 of said lots front on Lake Pontchartrain, and will be sold with a right to the purchaser of all the additional ground which may be made or accumulate in front. Their situation renders them particularly desirable for gardens or country seats, bordering as they do on the lake, they possess a salubrity of air not to be found in any other section of the state. The lake itself affords a beautiful and constant supply of fish of every description; add to which the great and expensive improvements, lately made on the bayou road; the facility of constant and easy communication with the city, and their proximity to the entrance of the new canal into Lake Pontchartrain, cannot but add greatly to their value, and render them an object of investment, for small capitalists, as well as for the more wealthy who may wish to live at their ease in retirement, and at the same time enjoy advantages, without any of the inconvenances of a city life. Terms: one fourth cash, and the balance in one year, secured by mortgage without endorsement.
