SALES AT AUCTION.

FAUBOURG DAUCANTEAL.

THIS beautifully situated faubourg, being nearly equidistant from the river and Port Pontchartrain, and located on the high ground of the Gentilly ridge, will be offered to the public by

ISAAC L. McCOY, *and*
HEWLETT & RASPILLIER, *Auctioneers*,

On MONDAY the 4th June next, at the Exchange coffee house, at 12 o'clock, laid off in lots of suitable sizes, and will be sold without reserve to the highest bidders.

The many advantages thus offered to a discriminating public needs no minute discription, and judicious speculators will not fail to profit by the purchase of lots in this elevated and healthy part of the city, rendered so convenient by its connexion with the Rail road which runs through the centre. This faubourg is laid off to correspond with the streets of faubourg Marigny, and with those of Milneburgh, and it is evident from the enterprising character of the inhabitants of the lower part of the city, which is daily developing itself with increased vigor, that the time is not far distant when the whole will be in a state of improvement, and will form the most beautiful part of New-Orleans. The wide avenues formed by the Rail Road, and parallel streets permitting free circulation of air from the Lake to the River, and affording an unobstructed view, certainly indicate it the most healthy part, as well as the most beautiful. The compactly built and crowded streets of the business parts of the city already renders them unfit for residences during the warm season, and as this inconvenience must increase with the growth of the population, more airy and salubrious situations must be taken for dwellings, as well for health as comfort. Cars will stop at the Daucanil faubourg at all times to put down and take up passengers, and it is the intention of the Rail road company to lay iron pipes from the river to the lake to furnish the intermediate inhabitants with pure and wholesome water at a small expense.

For summer residences and pleasure gardens, this faubourg is delightfully situated, and the facility of speed with which it can be reached by means of the Rail-road, renders it more convenient to the square of the city than many of the upper faubourgs.

The Rail Road Company desirous of affecting facility to enterprising individuals who may purchase lots or squares in said faubourg, propose to sell on the following terms:

1, 2, 3, 4 and 5 years, endorsers being required on the three first notes. The purchasers to have the privilege of discounting any portion of their respective amounts at 8 per cent per annum.

The acts of sale to be passed before Carlisle Pollock, not. pub., at the expense of the purchasers.

The plan may now be seen at the Exchange coffee house. may 18
