

THE BEE.

RELATED AND PUBLISHED DAILY BY JEROME HAYON.

Days of publication during the summer: TUESDAY, THURSDAY, SATURDAY.

SATURDAY MORNING, JULY 7, 1854.

GOVERNOR. J. DAWSON.

THE ELECTION. These are the result of the election in the first district of congress for the first district of the state, and for members of the house of representatives of the legislature of this state:

Table listing names of candidates and their respective districts for Congress and the House of Representatives.

WEST BATON ROUGE—For Congress.

Table listing names of candidates for Congress in West Baton Rouge.

THE UNITED PARISHES OF St. Bernard and of Plaquemine.

The united parishes of St. Bernard and of Plaquemine, have elected Mr. M. M. Morgan as their representative.

At the session of the city council, last evening, doctor Thomas.

At the session of the city council, last evening, doctor Thomas, on the committee on public health, reported an ordinance for creating a board of health.

The bill reported by Mr. Adams, of the committee of manufactures.

The bill reported by Mr. Adams, of the committee of manufactures, to amend the tariff, will be seen by reference to our Washington file.

The city council of Philadelphia have agreed that the sum of \$200,000.

The city council of Philadelphia have agreed that the sum of \$200,000 be appropriated as a fund, for expenses incurred in taking proper and efficient measures to secure the health of the city.

The Tribune and Empirist.

The Tribune and Empirist hoist the flag of the hon. E. D. White for governor of this state.

Arrival of the schooner Empirist.

Arrival of the schooner Empirist, with White at her helm, would laugh to scorn the anti-republican doctrine of the nullifiers.

CHOLERA.

Observations on Cholera, by M. BALLY, physician of the Hotel-Dieu. Notwithstanding the repugnance I feel to draw public attention to my own professional career, I cannot resist the desire I have to make known the inevitable success of a certain mode of treatment.
