ESPECTFULLY informs the public that he has removed to the house recently occupied by Dr. Ker, of the corner of Canal and thought street, where he may be found from 9 o'clock, A. M. until 5. P. M., ready to attend to the duties of his profession, and where he invites those who wish to employ er consult him to call, as it is impossible to the duties of his profession, and where he invites those who wish to employ er consult him to call, as it is impossible to the duties of the consult him to call, as it is impossible to the call of the consult him to call the consult have been the consult him to call the consult have been the consult him to call the consult have been the consult him to call the consult have been the consult who wish to employ or consult that to cart, as it is impos-ble for him to leave his rooms during those hours, except reases of indisposition. He has rooms for the accommo-ition of his visiters, separate and distinct from his family extruents, where they can be entirely private during the advantage of an operation, or whilst waiting for his serstormance of an operation, or whits water for the second to see should be be at the time engaged. His charges will such as are sanctioned by the usages of his profession of will not be deviated from except for persons of limited cans, or where families are to be attended to, then a reasonable deduction will be made. As he has no assistant his business, and as it is expected that he will be found inis business, and as it is expected that he will be found ledge in his rooms, it must be obvious to all, that it is insistible for him to keep books and attend personally to the election of his bills; he therefore respectfully solicits use who receive his services to make settlement at the or attend to it as soon as convenient to themselves nine, or attend to it as soon as convenient to themselves, is he has given offence to some by presenting his accounts around another person employed for that purpose. It is expected that punctuality will be strictly observed where constitive engagements are made, or an excuse furnished in the convenience are to disappointment and him to loss and reconvenience. Those indebted for services rendered during the last season, will oblige him by calling and paying tearr bills. GARLEPIED & CO.

Braziers, Pump-makers, Water-engine-makers, and Me-chanicians, Conde street No. 48, between Maine and St. Philipp streets:-

AVE the honor to inform the Planters of Louisiana, that they make all kinds of kettles; sugar-kettles; sugar-kettles; seeing kettles; lamps; spoons, and sugar rinmers, etc. etc.
They have bought from France the last mode of making

apparatus for distilling, which has been perfected by hest distillers, such as Derone, Baglioni, Derode, Zie.

They are theigselves the inventors and proprietors of a paparatus for distillers, which though not so expedings as that of Derone and Baglioni, offers to the distillers itum and Taha, the same results as to quantity, quality, and for the rectification of alcohol, there is greater security the working of it without the constant care which other charactus indispensably require. They make all kinds of contines, such as conne, chaptal, balin, etc. etc.
They are also the inventors and proprietors of a new received still, giving two results for one, in the same space

For the kettles, distilling apparatus, and alembics, they and them up, and see them go into operation and give

regardiciently initiated.
They will make all kinds of pumps, such as fire pumps, lessatory (English sites,) vougation pumps, throwing a eat deal of water with a very little force; in consequence So these pumps being without pisions or any kirad of frot Island, they cannot easily be detanged. They are constructed in the same manner to pump up strop; or any other boiling liquid. There is nothing omitted to make them rescentle, and their solidity is guaranteed against all de-

They also make ward-robes or inodorous valve hydrolter being recamed for a month or more.

They also make filtering-stones, which purifies in a very

They also make lattering-stones, which purifies me very short space of time a sufficient quantity of water without the intermixtion of any strange body. And likewise, beer kettles, teinture kettles, teinture kettles, teinture kettles, twink three cylinders, do, with furnaces, all kinds of bathing establishment for public and private houses; kitchen utensis of copper and iron; covering for houses; troughs; tungles, and cocks to furnish water throughout a house the cocks to furnish water throughout a house, the

They charge themselves with repairing all kinds of kettless coverings of all kinds of pieces and with the fabrication of every thing that can be made of copper, iron, and zinc.

The moderate prices they charge; and the solidity and superior workmanship of every thing that comes out of their shop, assures them that satisfaction will be given to all who may favor them with their confidence.

The moderate prices they charge; and the solidity and superior workmanship of every thing that comes out of the same day, at 4 o'clock P. M. will be sold in front of my office, the movesble effects belonging to the above named succession, and consisting fin a lot of the same day. Terms of sale, cash. By TEAS.
