SPLENDID TIME PIECE, representing the superb Court of the Chateau de Versailles, in France. There all the former Kings of France were crowned. where will be 75 chances, at the rate of \$10 each.

RESPECTFULLY informs the public that he has removed to the house recently occupied by Dr. Ker, at the corner of Canal and Royal streets, over the Post Office, (entrance No. 6, Royal street), where he may be found from 9 o'clock A.M. until 5 P.M., ready to receive those who wish to employ or consult him to call, as it is impossible for him to leave his rooms during those hours, except in cases of indisposition. He has rooms for the accommodation of his visitors, separate and distinct from his family and of his profession, and where he respectfully solicits the performance of an operation, or whilst waiting for his services, should he be at the time engaged. His charges will be such as are sanctioned by the usages of his profession, and will not be deviated from except for persons of ill-repute, or whose families are so situated as to be a reasonable deduction will be made. As he has no assistant in his business, and as it is expected that he will be found always in his rooms, it must be obvious to all, that it is impossible for him to keep back and attend personally to the calls of his patients, he therefore respectfully solicits those who receive his services to make settlement at the time, or attend to it as soon as convenient to themselves, as he has given offence to some by presenting his accounts through another person employed for that purpose. He is also the most reasonable and judicious. Also, where positive engagements are made, or an excuse furnished in time, as a neglect to do this may subject others who have made engagements to disappointment and him to loss and inconvenience. Those indebted for calling and paying their bills at the last season, will oblige him by calling and paying their bills.

DR. PARSONS, SURGEON DENTIST, from New York. SUCCESSFULLY informs the Ladies and Gentlemen of New Orleans, and its vicinity, that he has performed any operation on the teeth and Gums in a style not surpassed.

NATURAL AND ARTIFICIAL TEETH set in the most perfect manner, and in the most reasonable style. Also, ARTIFICIAL TEETH, from a single one to a whole set. On the first appearance of Tartar or Scruvy, Teeth should always be cleaned, as the corrosion of the Tartar will in a short time reach the roots of the teeth, and they will eventually fall out, and, at a trifling expense, to their original beauty.

The operation of plugging and filling the Teeth when decayed, is so truly important that it is impossible to recommend the use of the most reasonable and judicious. Also, where positive engagements are made, or an excuse furnished in time, as a neglect to do this may subject others who have made engagements to disappointment and him to loss and inconvenience. Those indebted for calling and paying their bills at the last season, will oblige him by calling and paying their bills.
