Add sequination of outling mining in her in of her wrongs, a discomination of public opinion in he or, and a steady support of her steadia if, unyielding and orapithle patriof Daniel G'Connell.

[From the Baltimore Republican.] [From the Baltimore Republican.] [From the Baltimore Republican.] [From Single—The present opposition in the Senate of the ed States presents to the view of the country and the ed. States presents to the view of the country and the ed. States presents to the view of the tentogenious and d scordant materials. There are no that of our Presidential candidates among all them, and to from the tentogenious and the states of the tentogenious and tentogenious and the tentogenious and tentogenio of testi cent views.—They consist of high tariff men and to lifters, men who have been baterly hostile to each other, and would be so again to morrow if it were not that their common hatred for the party which stands in the way of the matification of the ambition of each, has induced them no mis in approximation to that party. Out of the twenty four states it, re are Jackson Governors in two thirds of them, and there are Jackson Governors in the Legislatures of an earliannable. (Consequently of the Senators voted in accordingly of them in have fifteen constituents there would be two larges of them in have different will, and some of them, in defiance of that will, and some of them, in defiance of that will, and some of them if the violation of direct instruction to support the administration in its increasures relative to the Bank, have not only opposed those measures, but have trampled upon the Constitution, included upon the pauthority of the House of Representatives, and increasing the hard in which they were directed to give him the resoport. And is the known will of a majority of the people and only to be disregarded, but is the President to be condemined by the Senate for measures of which the people approved? If no, it is a mockery to talk about our having a republican government; and we might as well be governed by a body of nobleman, as by a number of blank Atterness called Senators. But it is not so. The people have and to decide upon the subject of public affairs, and those and to decide upon the subject of public affairs, and those and to decide upon the subject of public affairs, and those and to decide upon the subject of public affairs, and those and to decide upon the subject of public affairs, and those and to decide upon the subject of public affairs, and those and to decide upon the subject of public affairs, and those and to decide upon the subject of public affairs, and those and to decide upon the subject of public affairs, and those and to decide upon the subject of public affairs, and th

From the Washington Globe. RIDDLE'S LAST.

A statement, diginating in the official paper of the Bank, the linewing affect, is going the rounds of the Bank pa-

L'un t'nicadelphia National Gazette states that since Oc r last, the United States Bank has imported into that and New York, \$25.0,000 in spece, and that \$600,000

Honest people are led to suppose that the Bank has imto hits large sum from foreign countries, and to give
rein to the Rag Money King for replenishing the country,
with specie. The fact is, that almost three-fourths of this
sim has merely been transported from one part of the Unit States to another, most of it having been breather from
N w-Ouganet If we are correctly informed soft about
e-outton, and been brought from abroad by the Bank, and
into an speculation! Is distressed the country so as to make
a trade in general profusible, then claims credit for trading fa
, and imposes on the people sygn in making that claim.

t'ape de Ferde - Prieste Pitere from the Cure de Verda (St Jape) under date de la March, delle that Martinez de la bean appointed Bossesser of the Islands by Don Pedroy and that at a public disease staff given, he officed the fallowing team of the particle and philandrople citizens of the lad its for the particle their humanity have seved thousand and but such by farmed eternal prosperty attend them?

It is quite timeing to white with what improved and assurance the friends of the Bank utter, and persist in utering, the most pulpatic and barefaced falsimonds. They have asserted that the President has seized upon the public treasure, and that he can apply it to what purpose be pleases without the consent of Congress, and they con they teally expected to be believed, when they nade unitary teally expected to be believed, when they made unitary know it to be utterly take; and as we can hardly suppose that they think so meanly of the public intelligence as to magne that any one will believe them, we can account for their frequents; perion of the assertion upon no other ground than it at of the ct of their having one once so much accustomed to utter what they know to be untrue that they were either ancestions.

From the Battimore Republican

necome so much accustomed to utter what they know to be untrue, that they are either unconscious of what they are doing, or are determined never to speak the truth if they can avoid t.

The President has neized the public treasure! That is a fine story, trely, for one to tell, who are urging the Sometic to refuse to in ske any appropriations for the support of the Government. Fools! Do they suppose the propted on the Government. Fools! Do they suppose the propted on the treasury, and could in ske use of it without the sanction of Congress, it could be of any consequence to him which or appropriations were or were not made? And yet, while they assert that he has the whole and entire control of the public funds, they place the stamp of falsehood upon their own assertion by clearing the Senate to stop the wheels public runds, they place the stamp of faisehood upon used own assertion by charging the Senate to stop the wheels a confirman, loved as a man, and hon read as a successory to carry on its operations.

SECOND SENATORIAL DISTRICT:

Thetruth is, that the Bank has attempted to seize upo The fittith is, that the Bank has attempted to seize upon the public treasure, and the Directors, who are the more, instruments of M Biddle's will, have authorised him to employ what portion of it he pleased for electioneering purposes; and under that general authority, as he was not required to give any account of his expenditures, he could expend it either for electioneering purposes or for any other objects he might choose, and no one would be the wiser for it.

No special appropriations were preessary in this case, The president has been consumed for omitting to send to the resident has been consumed for omitting to send to the resident has been consumed for omitting to send to the resident has been consumers. It is alleged as "an extendinary assumption of power" on his part, calling for the wholesale demunciations of the various factions opposed to him. But is there any one, who is honest and candid, that does not know the reasons why the president has not the reof of the resident property of its obvious therefore are a body of men at present serving in the divided at mon of American senators, and the divided at mon of American senators.

No special appropriations were nreessary in this case, the under the general authority of the resolution of the Divided in the resolution of the reconstitution of the reconstruction of the resolution of the public purpose. The flow and tathful old soldier who had wield his wood in defence of the country. When at acked by p trioses. The firm and taithful old solder who had wield-ied his sword in defence of the country, when at scked by a foreign foe, and drove him from our soil, n w wields his pen with equal power and success against unequally dangerous but ins dious domestic enemy, and deprives it of the shillity to employ the people's money for the destruction of their own liberties, by placing the money beyond its reach. And for this he is denounced as a usurper and tyrant, and the advocates of the Bank, since this irrespons sible moneyed power has been deprived of the ability to destroy the liberies of the people, have undertaken to acorupash the work themselves, by attempting to coerce the goode, by every means in their nower, into a submission

These lastifious engines to our liberties will be foiled in

tions, 6th. To subject att persons who may comratively us affect in the cause of virtue and diverses and that spirit of chains benevolence, of which she is such analytic and the great at a beautiful and retired specific wholes, where the thick leaves, "the low sweet specific was shall not exceed one hundred dollars for each long Alexander. Brongin of the payment of such and City Council shall to the payment of such and City Council shall to the payment of such and City Council shall to the payment of such and City Council shall to the payment of such and City Council shall to the payment of such and City Council shall to the payment of such and city Council shall to the payment of such and City Council shall to the payment of such and city Council shall to the payment of such and city Council shall to the payment of such and city Council shall to the payment of such and city Council shall to the payment of such and city Council shall to the payment of such and city Council shall to the payment of such and city Council shall to the payment of such and city Council shall to the payment of such and city Council shall to the payment of such and city Council shall to the payment of such and city Council shall to the payment of such and city Council shall to the payment of such and city Council shall to the payment of such and city Council

she is such an able and dequent advocate.

She describes her retreat as a beautiful and retired spet in Wales; where the thick leaves, "the low sweet sighs" and the "soft showers" sweep around her. From theoree her fervid and holy aspirations, like the welcome thence her tervid and hely aspirations, like the welcome obtaings of some guardian angel, are borne to us across the Atlantic, visit evely section of our country, to mourisi the intellect—c din the passions and renovate the heart;—low easy and unaffected, plain and dignified is her style! Sao adds another the bright examples of a More, a Barbauld, a Figureary and Edgeworth; that literary tame is a 4 confined to the "lords of creation."

Mn. Entros:-The enclosed breathes such a strain of pure devoted partiotsus, and is clotted in such harmonions members, that I trust to see it inserted in the Standard, and if the hearts of those who read it, respond as finllingly to its touch as mine has done, there will not need another such patriotic burst of feeling—rnother such glowing appeal to the "Sons of Colombia," to rouse them from their sieguing.

From the New-York Standard. From the New-Lork Standard.
The From the Abelia The President's Protest.
The Fromton in silenced their country behold
Enslaved by the false craven minions of gold? Must the blood of our ancestors cry from the plain; and their bother in arms, both he too bled in vanily No-wons of Columbia, awake from your dreaming, The sword of the hireling above you is gleaming.

Behold as in vision, the days that are gone, Behold as in vision, the days time are gone, When foretaost in battle, a Heno was borne, With the zeal of a freeman, the vigor of youther And the patriot's signet, a hold brow of truth; This the Heno or Orderans, the patriot who taught us, To ward off the evils vile mammon had brought us. Must his now aged head in the dust be laid low

Must this now aged near in the dust be faild low. By the ingrate, who struck at his bosom the blow? Must the virtuous, the g fied, the brave honest heart, Be pierced by the venomed, the traitorous dart? No—sons of Columbia, awake from your dreaming. For Thatrons around you their vile plans are scheming.

Awake-lest accursed be your mem'ry in story, Awake to your rights, to your country's—your glory!
The Nature that cather its your homes that will feel
The dart of each recreant—to you we appeal
Brave sons of Columbia—your daughters saw weeping.
Your children—your country cry—up, from your sleeping.

Nay talk not of vengeance, for vengeance is His Who wields the will tempest—we ask you but this, Teach the lovers of mammon—the vile slaves of gold. Your votes were ne'er trafficked, your souls were not sold:

Your votes were ne'er trafficked, your souls were not sold;
Your daughters, your wives, to your hearts are appealing,
Awake e'er your doom, this vain slumber is sealing.

Behold! 'tis the Fat or Faremen widel—
The aged—the patriot—God! are they wild!
Shame, shaine on the cowards—that brave head is hoary,
But age cannot quench the remembrancos of glory;
Then sons of Columbia—awake from your dreaming,
The sword of the hireling above you is gleaming.
