Webster and Ewing shrink from these enquiries, the public will expect Mesers. Tyler and Mangum to do their duty, though their colleagues may be involved in the guilt of the Bank. The country must and will be satisfied. If the exchange committee be innocent, let it be proclaimed-is guilty, let it be condomned Let unknow whether it is truly represented as "an exche-

The Havanna Neticioco y Lucero, in publishing the late not of congress insposing tonnage duty upon Spanish vessels coming from Cuba, makes the following remarks: "Having spoken at length in a former number of the effect

because we should be repesting what we have before said, with the exception that what we then considered as a hypothese islands, but likewise among those of the United States, which interest cannot but be dissatisfied when it finds that this law, which has been represented as a heneficial measure operates in diminishing the expertation to Cubs, and consequently to lose the immense advantages derived therefrom If our authorities maintain with firmness the measures adopted with so much justice to encourage our own vessels in preference to those of the United States, the inevitable repult must be, that the American government will be obliged, by the complaints of her citizens to repeal the law which has been adopted with such precipitation, and which was treated with much less attention than is commonly devoted to ques tions of minor importance. The people and the governmen will disabuse themselves of the effect of these reprisels upon commerce, by the means of which it is sought to foster sprejudice against foreign products, which will weigh the vily upon the mation in diminishing the source of her public riches.

the United States is an anomaly in the science of financeer ing, and that without an effort on our part, it will formally be abolished by the force of public sentiment, which cannot but resent measures of so hostile and oppressive a character

THE JACKSON CURRENCY.-The new gold ceins we observe, are bailed with delight by the democrtic presses every where, as harbingers of perfect security against the attempts of both the bank and the panic makers. The half engles are carculating extensively in the northern and eastern cities, and are eagerly sought after my all classes, notwith-standing the stories got up by the mercenary tools of Nick Biddle in relation to the coinage. None of the new pieces have yet got into circulation among us, and it may therefore be supposed that we have a great curiosity to see them .-Doubilises, as soon as the business season commences, we shall have a pjentiful supply, abundant enough to drive all the rag-stuff out of the market. What say the "provinces" "Bulletin," and the "purtance

"Whig," to this flattering prospect? "Ye that have tears, propare to shed them nous!"

Statement of the amount of gold subject to coinage under the new ratio, deposited within the period commescing ist June, and ending lat August, 1834, with the whole amount of coin delivered.

Gold B linos deposited in June—coinage deformed, under an anticipation of the action of Congress, 661,500 Gold deposited in July, and deferred, viz.:

Uncoined Bullion, 133,300 seminary Coins of the U. States, 226,300

Feesagn Coins, 47,400

Gold deposited from the 1st to the 9th August:

Gold deposited from the last to the 9th August
Uncoined Bullion, 25,000 Ord deposites from the United Bullon, 25,000 Unccine of the U. States of former standard, 48,900 Portuga Colar, 3,000 76,000 544,500 Whole amount comes from lot to Sth.

POR THE RES. Mr. Editor:

In a season like this—warm weather and a plenty of dust few are isolined to auter into political discussions, and fewer yet inclined to inquire into those doctrines so confidently claimed by the "liank Wig Party." Shoute of triumph the believer both by the corrupt presses of a meniod institution—and gamy houses, though if-judging individuals, joing in the chorus spon those supposed "giorious schiever ments" of the "panie mithems." Let us examine a little into these matters, and esquire is my good reasoness exist to essue despondency among the friends of earl democratic institutions? We sak what facts exist to essay the friends of inburty is thoushed? We holdly answer noise fluid for the world forty-three, leaving and the first particular to the world forty-three, leaving in the list of the whole flock.—It.

Signature the first particular and destroyed forty-three, leaving and the first particular to the whole flock.—It.

Remaining anonined August 9th,

i He steed in time a remotest age He steed in time's remotest age
Upon stellast and dying page,
The winds were hushed in endless sleep.
And silence respined upon the deep,
The moon sleed forth her dying beam.
Upon Time's last and closing scene,
No living form, seve him alone
Stood on the earth—'tsus all his own!
The mighty stream roll'd silent on
Upon whose glassy surface borne—
Distorted features star'd aghast
And grinn'd in mockery as they past,
The last he stood, while around him isy,
The world's rude wreck. Time's dying the he world's rude wreck. Time's dying ca

Down came the winds, with furious swees.

And passed slong the deaden'd deep,
The waters—earth, sea and air,
Roll'd on and left oblivion shere!
The Suo had lost to lustre bright,
And feebly pour'd its dying light,
Upon the gloom—the Mountains sank
And all creation seem'd a blank. And all creation seem'd a blank;
Towns and palaces, the throne of Kings,
Mix'd basely with all baser things,
Swept down the tide, through lark ning gloom
Away—away—to an endless tomb, The Stars went out, and in their track Night rolled on; more drear and black

Night rolled on; more drear and black,
The meon brokeup, and floods of light
Rush'd down on Time's eternal night;
The as the last—ho light—ho feeble ray
Shone on Time's departing day,
Alone he stood—the winds had past
From o'er the earth—that mean the last,
With eyes upraised, from the oblivious tomb
He gazed upon the impervious gloom
He trod on air—he gasp'd for breath,
It came—it came, its shape was Death;
A voice was heard o'er the magic scene
Like the bright vision of a dream
Look up it cried—the last look given,
He saw—he died—and awoke in Heaven!

*If any of your readers should discover a similarity between these lines, and something he has read before, I bag
respectfully to state that with the exception of Lord Bywhich appeared in the Capket entitled The Last Hour of
Time—I know of no other. The last certainly comes the
nearest to it, and was written by myself some several years
since.

BATON ROUGE, August 30. Seth Barton, Esq. proprietor of Arington Plantation, was Wednesday last brought before P A Walker, Esq char on Wednesday last brought before P A Walker, Eaq ehr ged with having made an attempt to commit murder on the precising night by shooting at his overseer, a young gentleman by the name of R Cammack. It appears from what we can fear, that Barton on the night of Tnesday last, took his gun which was loaded with shot, and went were to the house of Cammack and immediately awakened him up, and after having made one of some abseive language towards him, and while Cammack was in the act of feaving him, he discharged his gun the contents of which entered the right side of Cammack. Barton has been committed to jail to await his trial at the next term of the District Const. Cammack was still alive when our paper.

Mr. Leigh?

"With pleasure, gentlemen. I hold the true principles of the Whige to be, an ardent support of Nullification—to be for and against the U. S. Bank, and to proclaim upon all occasions the atter inability of the laboring class of the community to inderstand any thing concerning the principles of government—and to protect on all occasions against their interference in its concerne."

Mr. Buckingham, of the Biston Courier, stand forth.—What do you call Whigian?

Ans: Opposition to Jackson, because "he adheres more closely to the doctrines and principles of Jefferson then any

Ans: Opposition to Jackson, because "he adheres more closely to the doctrines and principles of Jefferson than any other man." Further to illustrate my views of this subject, I beg leave to introduce a paragraph which appeared in a recent number of my paper in relation to farmers. "After mer never looks so well, as when he has his hand upon his ploagh. With his HUGR PAW upon the statutes, what can he do? It is as proper for a blacksmith to attempt to repair watches, as a farmer in general to legislate."

We shall close the investigation of this subject for the present, having, as we trust, shown the principles of the Whigs in their true colors, and that their sole aim is power, regardless both of the means and the consequences. We shall return to this subject again as opportunity offers.

Singular Circumstance—As a gentleman was passing the statutes and o lines in the rear. Lot No 66, measuring 31 feet 10 inches and 5 lines in the rear. Lot No 66, measuring 31 feet 10 inches and 31 feet 10 inches

Singular Circumstance—As a gentleman was passing the dock at the foot of Oliver street yesterday morning, he observed a large stone pitcher fleating on the surface of the water at some distance from the abore. His curiosity the water at some distance from the shore. His chrimity was excited by so extraordinary a circumstance, he took a boat and on reaching the object was surprised to find that it contained the body of an infant in a state of putrefaction. The body had swellen so much, that he was obliged to break the pitcher in order to extricate it. It specared to have breathed and to have been about a week old, when

the horsid deed was perpetrated. A coroner's jury was convoked, who found a verdict of "death by some cause unknown."
