PRINTED AND PUBLISHED BARY AT A CENTED POSTAGE

THE UNION-IT MUST BE PRESERVED." FREMT MORNING, OCT. 17, 1004.

THE CITY COUNCIL Access.

We antispeled that the article which we picklished yetselday, over the caption. "The deer the spire caption is the spire that are not to be for the public wall would draw again as the still desired of these implicated, who had savely displaced with the coverity with which we have so third savely below. We know that we have made established according to their resistances, but up for any which strikes at the very cost of charged government, and well being of the community.

We think that it is a consideration, where descenting and well being of the community, that and well being of the community, that the city council has descent to general properity, that and a man momed John Lowing of the Significant most to be for the second spire of the significant most to be for the second spire in the state of the position is according to the properties.

The being position is an established in discharging the day by a spirit of opposition is according manifested that it is altogether out of opposition in according to the publishe agreed save amount of the general property as a spirit of opposition in according to the publishe agreed save amount of the general property as a spirit of opposition in according to the banks it not the publishe agreed save and carried from the properties.

Proy, how in Business sensely in your part, it is abundant here, but as common as it is deposited in come of the banks it not the publishe agreed save and carried from the properties.

The being the twenty five themend, god has aligned most in the instinct and the ins

of opposition of the publishe expect any ameliorations.— there, but no toon as it is deposited in some of the banks it newhy is tight? Second each member eats for his word of a ver see daylight; 5 is suppressed by the tools of Nick Ricclusively, and none expects his with any other part of dis. Tours, the the city, let it presper eract. Es it secondary to give breedle. The president arrived in Washington on the 30th att. in of what we devance? Lie the reader call to mind the compowhat we advance? List the reader call to midd the compo-ition of the gity corneil of 1832, when Mr. Baldwin sat of he member of the 7th ward. Did he ever vote for any mon-the member of the 7th ward. Did he ever vote for any mon-ity of the 7th ward. Did he ever vote for any mon-the member of the 7th ward. Did he ever vote for any monare that through the questal presperity I Ney be not rowed designed and present present in a present in a residence of countries and designed with the personal interest law. The the adjointify will, in which his percental interest toy. The same upwarts just appelly apply to the present beard, of all dermen y shey core not a fig for the present beard of all dermen y shey core not a fig for the present y of any esther an adjoint the present of the present word anotherwise the present of the present of the properties. But we not dwell by sectional fieldings his prejudicist. But let us not dwell by sectional fieldings his prejudicist. But let us not dwell by sectional fieldings that herein a theme of continued complaint, and which are we have below had occasion to observe liappine less feelings of pity and diagnot.

We are accounted of unfaithfulness and partiality in our reports of the proposedings of the committee appointed to inquire into the cause of drunkaneess. Mr. Haws said he would oppose the printing of the report, they we give the debates usered for such as they are speken

by the members ; and Koccasionally they are not as flattering as the speaker would wish, it is entirely owing to our &thing them. In regard to the compount of

busette, the calculation of which we made ourselves from the books in the office of the city Treasurer. To show how utterly entrae this accession is, we shall appear the several items in the account. The reader may judge from the what disposition is made of the public funds.

We find upon more acrupatous examination that the expenses detailed below have been incurred since lest January, say within the space of eight a cethe: ry, say within the space of eight a enths: The first charge in theprecious bill is to :

M. Lange, for refreshments, sere flirard & do, for wise and liquests, J. & L. Garnier, for liqueura, & Bordeaux wine, Puters & Millard, for provisions and wine, Chéri Lange, for sufreshm J. Chircis, for six bottles of gin, Hyde and Guedrich, (for articles not specified.) Cheri Lange, for refreshments,

deliar and seventy-flow cands a pulse at each message, mahing a triding endontion for those who ware less dry or less
