The appears while Col. I had given to his administration resulted from his convictions of duty—and he had method from his convictions of duty—and he had method from his feet were acked for an effice in his life, and had refused all that were affered him;—and the thin to the life, and had refused all that were affered him;—and given had not neglected him in the repercision. I will be a successful to the su

[When the shove teast was drank, Gen. Duncan, who was present, and who had ridden from Vandalia, Islandia, expressly to be present, returned thanks in the following worder.]

Tre freesesting rise, our to meanwhereast are greater that is done me in the sentiment just expressed, and for the manner of its reception. It is as unexpected so it is andeserved. And while an permit see to expecte to you dir, and to this memenbly, the high grantification. I onjoy at participating in this cylchration. Some as many of my old franch, and brother officers and siddicts assembly the manner. I copy at participating in this colebration. Seeing as many of any old franch, and brother officers and soldiers assembled on such an occasion, and for such a purpose, has produced accessations not easily described. After an absence of soar twenty years from my native state, I find myself here bit, ragaged in colebrating the anniversary of a battle, which gave pleace and excurity to the North Western from tier. Bany am here who should the sangers and honors of that day, inney have removed to the far west—but more, perhaps, many more, are mingled with the dest. This reflection is mediarishely; but, we are taught by such reflection is mediarishely; but, we are taught by such reflections the mecinsity, the value, and importance of such any mean commencentium, as that, in which we, are this day our nature are apt to sink under the supine induspences of alloness and hursery, and that opinit of devetion which animates our hadpent in times of trial and of danger, becomes allowed in the sardid persuits of wealth—it is here at, it is at such meetings on him, that the requirescences of by—gene days are unfolded and exchanged; it is here, that heart is perfect unions, and the patriot fools himself somported and surtained by the arms of patriols—the vo-tal flame is preserved, and we go home with renewed confidence in the persuits of the flames, and who have a since become victimes of the grave.

Permit me mr, to offer as a similanent, proper for the occasion,—"The memory of the officers and soldiers who participated with un in the Buttle of the Thumes, and who have a since become victimes of the grave."

Aprech Lecompt—Our late and frace representatives.

THE CHUICH—course at a principal form. In the contract of one of

content and the estimate was and the city that the estimate and estimate and the estimate and the estimate and the estimate and estimate and the estimate and the estimate and the estimate and estimate and the estimate and the estimate and the estimate and estimate and the estimate and the estimate and the estimate and estimate and the estimate and the estimate and the estimate and estimate and the estimate and estimate under such discussioners would not only have subjected me to the execution of my follow citizens, but would have been assumely criminal. The sceners in the Hospital, be-leas few in number were transported to the assent story of opered with us in the Battle of the Thanses, and who hard aince become victims of the grave."

In the second story of the seco
