enter, of a project for establishing a steam host commun cation, from New York to Tampice and Vera Crus-touch ng at Cheriester, Harenne, New Orleans and Metanger The steam bort Connecticut was to start on the 19th, to try the experiment. It is confidently stated that the passage to Versi Gras can be regularly made in thirteen days. The etternet to establish such a communication with New Orienne, some dozon years ago, failed. The result in thir instance, with the increased sommanication and an extended route, may be more fortunate.

The Hon, W.s. R. Kins, of Alabams, has been re-elec by an averwhelming majority to the U. S. senate from that state. He is a decided friend to the present administration.

The reported majorities for Governor, in all the counties in the state of New York, give Marcy a majority of 13,617. The official seavess will not materially change the result, This is about the majority for the Jackson electors in 1832, and fels thousand more than Marcy's majority for Governor at lije same time,
