J. WILCOX, chalemar. IMMENSE MEETING.

One of the largest meetings decidedly which ever tool place in this city, was bold on Saturday evening last as Bishop's Hotel for the purpose of taking into consideration certain obnoxious language imputed to the Rev. Joel Parker in speaking of this community during a visit which he made last summer to Hartford, (Conn.) The coffee-room was literally thronged, together with all the avenues there in; and hundreds were seen in the streets unable to get a glasice at the proceedings, The meeting wee criginally preeided by E. Yorke, but in consequence of nome misappre bension, we believe. James H. Caldwell, was called to the chair. Notwithstanding the excitement was very great no riot took place, and what is perhaps an unexampled circumstance, and one which certainly speaks greatly for the the cause of all this disquietude and disseriafaction, was brought before the assembled multitude (indiscreetly we thought) and permitted not only to have a hearing, but when that hearing was over, which was generally deemed a lame apology, not the least sign of outrage or disturbance were shown. In so great a mass, comprising all clarees of society, and under the greatest possible degree of excitament, this fact deserves to be recorded as an evidence that reason and not passion were concerned in what to ik place. Admitting even this would in no wise lesson tile redit which is dea. As chroniclers of events, we feel it our duty to notice these proceedings of our citizens, otherwise we should never have nentioned the name of Joel Parker in our countries. We deprecate introducing in a journal any discussion by which religion may be involved, and besides we hold it improper for an aditor to inflome the minds of the public upon a enatter in which their feelings are so sensibly aline as the one which we have referred. GREAT PUBLIC MEETING.

In pursuance of a call made at a preliminary meetings the most numerous assemblage of our citizens, met on Sa turday night the 13th Docember, at Bishop's Hotel.

The meeting was called to order by Mr. Samuel P. Moore, in an appropriate address, explaning the bjecta of the meeting when it was fully organized and proceeded to bus ness. Upon motion it was.

Mr. Parke, in the Louisiana Advertiser,

Therefore; as the sense of his meeting, it is resolved hat the Rev. Jeel Parker has incurred the just displeasure and indignation of this community for the slanders uttered as sinct this population, in his address before an audience in Connecticut, in the month of August last, Resolved, That in their defence of their pastor, publish-
