LAWS of the United States passed at the second Session, twenty-third Congress.—(Public No. 7.)

An Act for the final adjustment of claims to Lands in the State of Louisiana.

Be it enacted by the Senate and House of Representatives of the United States of America in Congress assembled, that any person or persons having claims to lands in the State of Louisiana, whose claims have been recognised by former laws as valid, but which have not heretofore been confirmed to the Grantees or their legal representatives, be and they are hereby authorised to present the claims to the register and receiver of the land office in which the land may lie, within two years from the passage of this act, together with the written and other testimony in support of the same, and it shall be the duty of the register and receiver to record in a book to be kept by them for that purpose, the notice of every claim so preferred, together with the evidence in support of the same; and the said register and receiver are hereby further authorised to receive any evidence for and on behalf of other individuals who may resist the confirmation of any such claim either on their own behalf, or that of the United States, and cause to be taken any evidence which shall be deemed necessary and proper by them to have such claim properly and justly settled, and to have the same recorded in said book, for which service, in recording the applicant's title papers and evidence, they shall be entitled to receive from said applicant at the rate of twenty five cents for every hundred words.

Sec 2. And be it further enacted, that it shall be the duty of the registers and receivers of the land offices, at or before the beginning of each Session of Congress thereafter, to make to the Secretary of the Treasury a report of claims which may have been presented before them, together with the testimony, accompanied by their opinions of the validity of each claim, and such other information respecting them as may be in their possession, which said report, shall, by the Secretary of the Treasury, be laid before Congress as soon as practicable, with the opinion of the Commissioners of the General Land Office, touching the validity of the respective claims.

Approved, February 6, 1835. april 13—6t

NOTICE—Whereas Evariste Lauve and Pierre Raimond Gaillard, testamentary executors of the late Edward Lauve, of the city of New Orleans, have applied unto me for the cancelling of a bond with mortgage, of two thousand five hundred dollars, signed by the said Edward Lauve, as harbor master of the port of New Orleans, on the 2d day of March, 1833, jointly with Thomas Copping as security.

These are to give notice to all persons interested therein to shew cause in writing, at the office of the Secretary of State, within ninety days after the last publication hereof, why the said bond and mortgage should not be cancelled and annulled.

Given under my hand and the seal of the State, at N Orleans, this 6th day of April, one thousand eight hundred and thirty-five, and in the year of the Independence of the United States the fifty ninth. By the Governor. E. D. WHITE,

[L.S.]

MARTIN BLACHE, Secretary of State.

OPIATA BALSAMICA,

DEL DR. GUERRERO.

THIS OPIATA, a recent discovery, is a certain safe and convenient remedy for that species of disease called Gomorrhœa or Gleet. Its reputation has been generally established in South America, and has commanded the written testimonials of the Medical Faculty of that section of the Globe, relative to the speedy and infallible results which have attended its application to all cases of Gomorrhœa.

The OPIATA BALSAMICA is put up in small leaden pots, accompanied with directions, and may be conveniently carried in the pocket, both by persons travelling, and by those who may wish to avoid exposure, either to a physician or to their friends.

It is in the form of an agreeable paste, and is taken in such a manner as to render it "tasteless," by being wrapped up in a wafer prepared for that purpose, a sufficient number of which will be delivered with the medicine. But the greatest advantage which it possesses, is, that if invariably produces a radical cure of the disease in a few days, without affecting the most delicate constitution, owing to its containing the slightest particle of mercury in its composition.

Before the Agent would offer it to the public in this country, he has had its efficacy tested by several of the most respectable physicians in the city of New York Their success has fully justified the declaration, that it is the best medicine they ever used, and they have in consequence, generously consented to be referred to as to the truth of this statement.

Price—each pot, one dollar and a half. It is sold by the subscribers, chemical druggists, sole agents for the remedy in Louisiana. CUSACH & Co,
