CELEBRATED CASTILLON POWDER.

THE widow Carthy of Philadelphia, proprietor of all the receipes of the late doctor Castillon of Cape Francais has made our apothecary store a place of deposit for Doctor's Castillon's celebrated anti-scorbutick and restorative powders. This Gentleman was formerly King's Surgeon in St Domingo. We appointed by the proprietor agents for the sale of his receipts in this city.

These specifics have constantly succeeded in all parts of the Island of St. Domingo; they will cure the scurvy of all diseases originated from Scorbutick virus, diarrhoea, dysentery, tenesmus, leentery, vew, intermittent and continual fevers, obstructions of the liver and of the spleen—the diarrhoeas most inveterate, dysenteries and tenesmus, originating from the measles and the malignant small pox—and those diseases consequent to deliveries and pregnancies—The powder mixed with milk produces a very pleasant and nutritive pap—it stroys all the putrid humors in the stomach an intestines—restores digestion and all secretions by purifying the blood of all scorbutick causes.

The length of the time necessary to get cured varies from 20 to 30 or 40 days, according to the ancientness or malignity of the disease—these specifics are to be administered constantly at our apothecary shop, where a summary of all the extraordinary cures that were effected by these remedies are published. The public will find it very advantageous to use them as they may save inefficacies to the directions given with the remedies.
