March 1837. The bugs of which the pork is jacked, to be fattened on corn, and each hog to weigh not less than two hundred pounds; and, except where the quality is other-

wise designated, will consist of one hog to such barrel, ex-cluding the feet, legs, ears and shout. Side pieces may be substituted for the home. The park is to be carefully packed with Turks' Island salt, and in pieces not exceeding ten pounds each. The salt to be contained id seasoned heart of white nak, or whire ash barrels full hooped. The vinegar in iron hound cashing the heans in water-tight barrals; and the sonp and cashiles in strong

over, of conveniers aims for transf ortation. Salt will only be received by measurement of thirty-two The candles to have cotten wicks. The provisions for Fort Armstrong, Prairie du Chien, and Saint Peter's, must pass St Louis, for their ultimate desination, by the 15th April 1836. A failure in this perticular will be considered a breach of contract, and the De-

partment will be authorized to purchase to empply these posts. The provisions will be inspected at the time and place of delivery; and all expenses are to be paid by con-

Tractive, until they are deposited at such sine beause as may be designated by the agent of the department.

The community general reserves the privilege of in-creasing or diminishing the quantilles, or lot dispensing with one or more articles, at any time is fore entering into contracts; and also of increasing or reducing the quantities of each delivery one thirm, subsequent to the contract, on giving sixty days' previous notice.
Bidders not heretofore contractors are required to accom-

at the request of Mesers Ranson Brothers, will be exposed to public sale, on the spot, by the undersigned judge, auc-

A sugar plantation, situated in this parson, our analysts hark of the Minetosippi, measuring eight attents twer; y one to see or there about a front to said river, by forty arrents to the continuous front to said river, by forty arrents and an the upper side by that of Antoine one toises or theresbouts, front to said river, by forty arrents in depth, bounded on the upper side by that of Asions Artriquer, alias Quatrevingt, and on the lower side by that of Auguste Madere; together with the building a therenato belonging, consisting in a dwelling house, a new brick built kitchen and celler, a corn house, a corn mill, a house very camfortable for an overseer's lode, as, a new brick built sugar house, with a good steam init, a few negro tabins, and finally all the canes being on said plantston, less 25 arpents, which were sold to Air Anguste Middre. By the means of the double concession which might be casely purchased at this time, this plantstion would become carily purchased at this time, this plantation would been

castly purcussed at this time, this plantation would become a fine property, as the lands are generally high, of the best quality and abounding with excellent wood.

Conditions—The plantation will be add payable one-third, in all March, 1837, and the last third in all March, 1838, one-third in all March, 1837, and one-third in all march, 1838, in pationatority endorsed anten, payable at New Orleans, with special mertgage unit final narmont. The acts of sale, mortgage, acquittance and radiation s

the expense of the purchaser.

N B The personned eliging to visit this plastation, will apply to Mr Zenon Ranson, in the parish of St Charles, who will wish pleasure province their the moins of doing it.
