NEW-YORK, June 18.

Cotton—There has been no material change in the Cotton market since our last. The prices remain the same, and holders do not submit to any further decline. The operations for the last three days amount to 1400 bales, 600 New Orleans, 300 do to 19¾; 100 very fine do, at 20 cents; 200 Mobile, 15 to 20c; 600 Florida, 15½ to 20c; 200 Alabama, 16½ to 19c; making the sales of the week 3000 bales. The manufacturers demand has been more active within a few days, and prices still remain firm at our quotations.

Flour—The market is quiet, though there is rather a tendency to rise towards us. Sales of Philadelphia fine, at 5 7 a 7 12½; 550 bbls Ohio, sold at 6 50 a 6 62½; and considerable sales of Western Canal, at 4 75 a 6 87½. Baltimore, H. R. at 7 50. It is difficult to fix upon any definite scale of prices at present, and our figures remain for the most part unaltered. It must be considered merely nominal. Sales of Cornmeal in bbls, 200 a 21, and bbls. 44 a 44.

Grain—The immense business which has been done within the past few days has caused an advance in the prices which will be seen by reference to our list. The sales that have come to our knowledge embrace about 10,000 bushels. Dutch Rye, at 75 cents; 300 bushels from the North River, at 83c; the stock of foreign Wheat is nearly exhausted. 2000 bushels Baltic sold at 91 97; 300 prime Western at 7 44, and about the like quantity of Danube at the same price. In corn also, a heavy business has been done. 30,000 bushels Northern taken at 83 a 84 cents; 20,000 do New Orleans, slightly damaged, 58 to 60 cts; 2000 do Southern White, 75 cts; 7000 bushels Oats, 53 a 54 cents.

Molasses—Is rather improving in demand, and appearances indicate an advance from the present low rates. The purchases have been made with more freedom, and to a much greater extent than for some time previous. Sweet Havana and Matanzas of a good request, and sales have been made in lots of about 450 casks at 25 a 26 cts; and a parcel of superior at 37½; 200 bbls Martinique, and a cargo of 150 puncheons, 70 hogsheads and 20 barrels Barboes, taken at prices not transpired. 450 bbls Porto Rico, 28 a 29c., 4 mos; 300 do 27c, 6 mos; 200 Cuba, 29 a 30½ cts, 4 mos; 100 bbls Havana sour, at 24c 6 mos.

Sugar—Much of the remaining stock to hold with firmness, for an advance on present prices. There has been an animated demand since our last. The sales embrace about 1500 hhds. Porto Rico at 9½ a 10¼ cts; 1200 boxes Brown Havana, 9 a 10c; 150 boxes ordinary, 8 a 8¼c, 4 mos; 40 Muscovado, at 8¼ a 9½; 98 boxes damaged, 6¾ a 7½c. In Whites and most other descriptions, but few sales are made, in consequence of the limited supply in the market.

BOSTON, June 14.

Grain—The arrivals of Corn are quite large, a large part of which has been on board some time, and is more or less heated. 78 a 81 cents for white, 75 a 77 yellow flat, 69 a 67, a cargo of New Orleans, fine order, 70 cts. North River mixed bulk from vessels, in parcels, at 61; Northern Oats 53 cents.

Flour—The demand for Genesee to-day has been very active, at an improvement on yesterday's prices. Large sales commonly brands, 7 a 7 12½.

Molasses—Sales of 200 hhds Trinidad, 40 cts. Some Distilling sells freely at a change in price.

AMSTERDAM, May 31.—*Cotton*. The imports since our last, consist thus in 50 bls. per Flora, and 200 bls. per Leda, from Charleston, most ready purchasers, the former at 34½, the latter at 33 cents, both of fully fair quality, yet easier sales are to be effected on account of the recorded prices in Liverpool and the quietude in that market, was also here less inquired for; the cargo landed per Johannes. from New Orleans, of 360 bales, still liens remains unattended, and our quotations must be considered rather nominal, which however, by re-animated dealings in the other markets, we expect will not be of long duration.
