FOR VICE PRESIDENT

LEMARD M. JOHNSON.

What that not only you, but all the people of the United States shall now understand line it the desire of that portion of them which is favorable to my elevation to the chief magistracy should be gratified, I must be the property of the presidential chair, the indexible and the margistracy should be gratified, I must be the part of Congress to abolish slavery in the district of Columbia against the wishes of the slave holding states; and also with the tagmination equally decided to resist the highest interference with the subject in the states where it exists."—Martin Van Buren. SALAS TAST DAY.
98 bales Mississis, Agents 13 MARINE NEWS. PORT OF NEW PRESANS. CLEARED. July 19 hi order to the better accommodation of our com-servicial pairons, we shall sublish a paper on Saurana, containing the commercial information of the week-which cannot be fully arranged until Friday night— The days of publication will therefore be Monday. Wednesday, Friday and Saturday until the daily in Towloat Hudson, House, from the Passen Iswalls on the hard Towloat Hudson, Hower, Mobile.

Colling in agine of citar ages, nev in the river.

Guillott Birene, Claren, Hollaburg, April 17, to J. A. Merle & co. BY W MOVEMENT

By a guildeniae who came parsenger in the ateamboat Chitism, which arrived from Natchiteches yeaterded afterneon, we learn that Gerieral Gaines, with
the United States troops, has wrosed the river Sabine
and inarched into Texas as far as Vacogdoches, at
which place he had for the present fixed his head quartees. The intention of this move has not transpired—
the robustly owing to the recent industion of hoselliit is probably owing to the recent indication of bookli-ties on the part of the Indians on all our frontiers. foll down and expired in Canal street, the day before yesterday. No other dense than ever anxiety and distress of mind, occasioned by difficulty with his bands, can be given my this sedem, yimianon. con-tain S. was a worthy and essemed Joung gontlement, and had won the regard of many of our citizens. His remains were attended to the grave by a numerous collection of his friends. PHE PRESIDENTIAL CAMPAIGN. The Whige, as yet, appear to have no praminent sandidate for the Presidential Chair; and, konsequently, no settled plan of operation. General William Range Herrison and Hugh L. White are the most spo-kesser; bee recent indications—the death of the Wash-ington Sun, and the declaration of the Richmond Whig for Wn. H. Harrison,—snows that India, White is to be let down," and the best hopes that can be found, as Liverpool—Per baroge Drud Gannon—1969 bates ofton, 6 cases prince, 251 hides, 750 fterms.

Vera: Crux—Per schooner Caleb Goodwin—dry nois, begavers, begavers and books. be 'let down,' and the best horse that can be found, is to be put in secret training, only to be brought on the turinst as its race is about to commence. It is well known, and his whigs know it themselves, that neither of the above named candidates poisses any merit to scommend them to the morra of a great nation. They have none of the absolute qualifications, and it cannot be proven that they have,—which are requisite in the Chief Megistrate of the United States. Why, then, it may be inquired, are these men held up to the view of the party. We assers, in ander to keen the Imposts.

Ter gelliott Sirene-Rardeere and sundries.

Ter steamer Hustevile-10 libra sugar, Barke, Watt & cot labasecotton. Bellin, Ship & co. 4do do libra & Hardy, 2 do do T Barreii & cot F Largeii & Cot F IMPORTS. 3 then, it may be inquired, are these men held up so the view of the party. We assure, in ander to keep the perhy together for the present, and to prevent any of us members from going over to the side of Democracy,—to support Van Buren and Johnson—until they have every thing cut and dried for the obt out. From the belief that the Democratic party guided the race by intrigue, they have come to the recelulation of seeing what political ambush and sudden turns of party dexterity, will accomplish; and we should not be surprised, if, after all, on casting the electoms vite, both Harrison and White were dropt, and the Whig vote thrown for some other candidate. ome other candidate.

"It has been found impossible to bring the souther Wings to agree upon a northern candidate, and equalty impossible to make the northern Wings agree upon a southern one. Harrison and White are those whom the mass of the party is amust for the present, while it is not unlikely that Webster whose triends chim the single state of Massaraheets, or perhaps Per steamer Choctes mesers Delley, Homphreys, Dellery, Barrows, Parker, Dr Weatherby, Frederick, W Squires, Shields, I Picow, & Dackstrangers. chim the single state of Massarrassets, or perhals across yet unnamed political leader is destined to reduce the native. It will be whelly unnecessary to resort to trick at machinery, with regard to the renegade Judge of the south west; the majority of the party to which he has made over, despise him—they may there to treason but shun the traiter; and for the Whigs to think even toy a memont, that the electoral vote of this state with be given to any but Mr. Van Buren and Richard M Johnston, is the most failacious idea that could enter a Whig's train. By an individual, opposed to us in politics, who has travelled through mest of the state, we have been insterned that not the least doubt could be entertained on the question of Mr. Van Buren's getting WARE PACE OF APTICAL Persons desirons of sisting he day of St. Louis and Pass the St. Louis and Pass Christian, have a favorable opportunity of se doing by steaming evening at 6 o'cook, landing hor passengers at the cook, landing hor passengers at the cook, landing hor passengers at the landing hor passengers at the cook landing hor passengers at the Returning the SOUTH ALABAMA will be at the result of the source of the s TOURNE & ENGANCE LANG.
