Detained in jail of the Parish of Jefferson, the negro SALVADER; says he belongs to Mr Lafe of New Orleans. The proprietor of said negro is required to claim him and take him away as prescribed by law. JAMES CHARBONNET,
Parish of Jefferson, September 2, 1836. Sheriff.

FIFTY DOLLARS REWARD.—The above reward will be given for the apprehension of the negro boy JOE, who ran away from the New Orleans and Nashville Rail Road Company on the eighteenth of August. He is five feet seven or eight inches high, black colour and rather slender in make, no peculiarity either in speech or gait. He was purchased from Mr. Joshua Baldwin a few month since. august 23

$50 Reward will be given for the apprehension and delivery in any jail so that I get them, of two negro fellows who runaway from the subscriber about the 15th of February last, or $30 for the confinement of either of them. The said negroes, NED & DOCTOR, belong to the subscriber's plantation living about 12 miles a. c. of Demopolis, Marengo county, Ala., and made their way to Mobile, where Doctor was committed to jail, and was brought back home, but absconded again in a few days, and I presume will aim to get back to Mobile, if indeed he has not already reached there. My impression is that he will try to make his escape to New Orleans. The other fellow, Ned, I have never heard of since he reached Mobile, about the 6th or 8th of February, and I am fearful that he has already found his way to New Orleans. Ned is a young fellow, about 22 years of age, about 5 feet 8 inches high, neither very stout nor very slim, rather of a yellow complexion, and somewhat of a down cast look, and has a bushy head of hair. The said negro was purchased by me of Mr. Henry S. Langhorne, of Lynchburg, Va., about Christmas last, and I recollect no particular marks or scars about him. The other is a noted fellow, about 25 or 26 years of age, about 5 feet high, a short thick neck, his right eye, I think, has a kind of film over it, and on his left cheek he has an ugly scar, caused by scrofula, besides several on his neck, which were made by nestors. He has a remarkably flat nose, and very small eyes. The above reward will be given for the safe confinement of said negroes, and information by which I will be enabled to get them.
