NOTICE, to all whom it may concern.—Office Pontchartrain Rail Road Company, New Orleans, Dec 15, 1836. In consequence of the advertisement of a public sale of lots on a portion of ground, situate on the Metaire road, wherein it is stated that arrangements will be made to transport passengers from this city, by means of rail roads through that portion of territory like Pontchartrain. The board of directors therefore, hereby give notice that according to section 3 of their act of incorporation, approved January 26 1839. Section 3d, in the act amendatory, approved 2nd April 1835, and section 14th of the act supplementary, approved 12th March 1836. This company possesses the exclusive privileges of rail roads from the city of New Orleans and its faubourgs to lake Pontchartrain for the term of 35 years from the 2nd April 1835 and that this Company are determined to enforce all their rights to said privileges.

By order of the Board:
dec 15 J B LEEFE. Secy.

THE proprietors of Bath (sit on Metairie road and running to the lake,) are grateful to the Pontchartrain Rail Road Company, for bringing into notice a plan which no opposition can retard from becoming one of great importance. They beg to correct the statement made by that company in its advertisement of yesterday, signed by J B Leefe its Secretary, in which it is insinuated that the proprietors of Bath offer to take passengers from the city to the lake, which no doubt would interfere with its charter.

This company has on its own land, (which is not even in this parish) constructed a rail road of a distance of 40 feet from the Nashville rail road; passengers will go from Canal st., on the Nashville rail road, to Bath, and from there they will in cars of this company be taken to the Lake. By order of the board,
