SECRETARY TO THE GOVERNOR.

MISS RAYMOND WARING & CO'S
MANUFACTURE AND MUSEUM
NOW exhibiting at the old market
place, where the old market place is located,
a collection of historical and scientific objects
gathered from all over the world by the
late Mr. Raymond Waring, who has been
a collector for many years, and is the
author of "A History of the World," published
in 1880.

The following article from the London Morning
Post is copied from the New York Tribune:

"Each book to settle all its accounts with
the public, and to do so in a spirit of
sincerity and frankness, as the case may be,
and to take measures to present to the Legis-
lature petitions expressive of their disapprobation
of the creation of a National bank. As political coun-
cils opposite character are to be called, and it is there-
fore to be considered indispensable,
it is earnestly requested that the attendance upon the
meeting be insisted upon."

The Bank Party.

We learn that the party in the city who are anxious
to perpetuate the bank system, and to have it in full
operation, will insist upon the bill for the NEW
CITY EXCHANGE, NO. 1, to be passed, for the pur-
pose of taking measures to present to the Legis-
lature petitions expressive of their disapprobation
of the creation of a National bank. As political coun-
cils opposite character are to be called, and it is there-
fore to be considered indispensable,
it is earnestly requested that the attendance upon the
meeting be insisted upon."
