ANTIGOUT SYRUP OF BOUBEE.

The subscriber has just received fifty hundreds of the above syrup, and a letter from Mr. T. Boubee, of Orleans, in place of Boubee & Bertrand, as sole agents for the manufacture.

The numerous certificates published of Mr. Boubee in Europe, leaves no doubt of the efficacy of the remedy against the gout and rheumatism; even here, testimony might be obtained from a number of persons, who reside in this city, who have been relieved by the efficacy of this powerful remedy. In fact, any thing but a safe physician hesitates when that is a certainty of which brings immediate relief to a person suffering under the most cruel affection of gout and rheumatism and enables him at the same time to attend to his affairs. By combining the treatment in chronic cases the attacks become removed much more rapidly, and with much less intensity; and they seem by my knowledge of the remedy is taken in time.

In fact, in never a case very old cases, also regular hereditary gout, receive a speedy cure.
