FRIDAY MORNING, MARCH 39, 1839. FOR PRESIDENT OF THE UNITED STATES, HENRY CLAY,

OF KENTUCKY. ect to the decision of a National Convention

whirlwind of popular indignation shall sweep im thity and corruption from their seats at Washing-the hardy mariner may spread his canvans rejoi-

nformation on the subject of the border difficul

His Excellency, Gov. PAIRPIELD." &c.

General Hodsdon has been ordered to the mouth of the Presque isle river, on the Aroosteck, ten mile from the encampment of Col. Jarvis.

PROM OUR SPECIAL CORRESPONDEN

t last the message of the governor of Maine has reached us. It is very long, and like all governor Fairfield's documents, exceedingly wordy. He re-rominends that when the lieutenant governor of New

At last the message of the governor of Maine have reached us his very long, and like all governor Fairfield's documents, exceedingly wordy. He remomends that when the licutenant governor of New Yoranwark shandous all idea of occupying the disput to territory with a military force, and of attempting a regulation of the Maine party, then the military force of Maine ought to be withdrawn, and the land gent left with a sufficient poore armed or unarmed to array into effect the original design of driving off or array into effect the original design and driving off or array into effect the original design and driving off or array into effect the original design and driving off or array into effect the original design and driving off or array into effect the original design and driving off or array into effect the original design and driving off or array into effect the original design and the land general fact that the case of the second of the party of the second of the party of the subject of the party of the subject in the party of the general government, it at all, with the second of the second of the subject in the party of the general government, it at all, with the reason of the general government, it at all, with the reason of the general government, it at all, with the reason of the general government, it at all, with the reason of the condition of the party of the general government, it at all, with the reason of the condition of the party of the general government, it at all, with the reason of the condition of the party has probable to the reason of the party of the party has probable to the reason of the party of the party has probable to the party of the party has probable and the party of the party has probable to the party of the par

The Neva Scotia papers continue to bluster a good scal. Their anxiety for war originates in a desire to see redship herring and potators use. These shall portune the two nations of Maine and New Brunswick existently over. The succk snarket in New York and Boston is recovering. Fearware now entertained of the effect to England, of the panic which prevailed for those in the manew and stack market. for a time in the money and stock market.

or a time in the money and stock market. General Scott is in Augusta. He probably thinks here is more war there than in any other place. The election in New Hampshire has, of course, terminated in favor of the ruler there, Isaac Hill, and the administration. Mr. Van Buren may rejoice tha

has some or may do.

The administration is preparing to make great exer-tions to earry the south at the sout elections. Cam-siring a report in favor of economy has been east by eart loads to different quarters of the southern country. and the people there are to be tickled with professi

of economy and retreschment in the face of the fact that this administration carried up the annual elipen-ditures from thirteen millions to forty millions. The "party" in this city will make a general sweep government, or for incomputancy, or neglect of duty; not empty because they are not industrious and zea-ous hawlers for the administration. On the other hand those high in office who have been convicted by

All the alarm that prevailed in the cast, and in the Atlantic cities and states generally, about war with England, is now, I think, over. Some clamor is still heard from Maine and New Brunswink; and much nore from Nova Soutin than from the latter. The Nova Sestians, indeed, think the New Brunswickers

ration forces in the "Old Dominion" to earry it for the government and against the whigs. From all parts of the state we hear the notes of preparation. It will be a hardly-fought contest: but I think the whige will carry the day: and that Mr. Rives will be elected to
