BOARD OF PUBLIC WORKS,
New Orleans May 15th 1841.

THE undersigned is authorized and prepared to contract for the construction of a bridge over Bayou St. John, at Bayou Road, where the town of Annunciation provides the same can be done in accordance with a plan and estimate made by George T. Mumford, Civil Engineer of the State of Louisiana, and also with an appropriation made for that purpose by the Legislature of the State—all of which can be seen at the office of the Board in the City Hall, on Old street, or application to E. Rousseau, Secretary, No. 20 Old Levee street.

The person or persons contracting to do this work will be required to give a bond with good and sufficient security in a sum of at least the full amount of the contract price, stipulating that one third of the value of the work in progress be retained by the Board, to secure a faithful performance of the contract. It is understood, before-hand that high prices and great terms can be offered to such parties as may be willing to undertake, whose contract for much of the material proposed to be done

THOS W. CHINN,
President of the Board of Public Works.

The Red River Whig at Alexandria, will please publish the above (once a week for two months) and forward their bills to E. Rousseau, Secretary of the Board of Public Works.
