

NEW ORLEANS BEE

OFFICIAL JOURNAL OF THE STATE AND GENERAL GOVERNMENT. BY BULLITT, MAGNAN & CO.

FOR GOVERNOR. HENRY JOHNSON.

NEW ORLEANS, MONDAY MORNING, SEPT. 13, 1864.

The press of matter in this paper, compels us to refer some remarks on the Charity Hospital bill to-morrow.

The Public Corporation has passed the Senate by a vote of 28 to 7, and only stands in the House of Representatives.

It is expected that Congress will adjourn forthwith after the reception of the veto, and defer its action on other important measures until the next session.

The Land Distribution Bill has been signed by the President. In the absence of our regular correspondent we have received the following letter from a distinguished member of Congress.

Dear Sir: In the absence of your regular correspondent, the Ladies' Bazaar, I take it upon myself to communicate to you two facts, in which the people of Louisiana feel and have a great interest.

U. S. District Judge - On referring to the Washington Correspondence of the 18th instant, I am surprised to find the appointment of our esteemed fellow countryman, Thomas McCaskey, Esq., as United States District Judge for the State of Louisiana, has been confirmed by the Senate.

Balance of Pass Christian - We are informed that on Friday next a splendid ball will be given at the Pass Christian Hotel, in aid of the Sanitarian Society.

Health of the City - The number of interments reported to the Board of Health for the 24th ending on Saturday at noon, was 14, of which 29 were of yellow fever.
