DIVIDEND OF 25 PER CENT—
THE MUTUAL SAFETY INSURANCE COMPANY—Has declared a dividend of the profits on the business of the past year of 25 per cent, or half per cent.
Certificates of script for which are now ready for and ready for delivery at the office of the Agency in this city, to all those who may have done business with this company during that period.
By the system adopted by this company—all the nett profits of each year, are divided pro rata among those who pay the premiums—leaving the past season persons insuring their property at this agency on a similar premium of, say one and a half per cent—stand a dividend reducing the rate to about one and one eighth per cent, receiving a return of more one quarter of all the premium paid together. The company confines itself to mark insurances on Fire and Marine Risks at the present reduced rates of premium—and would give notice that their assets are one Million of Dollars.
