CITY INTELLIGENCE.

CRIMINAL COURT.--The court room on Saturdey

There some distance. At longits they hade a half, and three of the men want to also also, heaving men of their companions on guard. The negro sourced this opportunity to put the issue upon a foot race, and district off at fall speed. The guard fixed a pixtle at the fagilite, half and the sim; and the by, almost dead with fright reached the house of one of his menter's neighbors, where he related the adventure.

Ast. Janus.—The whige of this standard and faitful parish, assembled on the 19th ulti, and speciations. The principles of the anninges. The principles remarks of the mentary of the suppressive of the suppre

He would recommend him to forget the things of this mirrid and turn his attention to reserves of a higher sphere and employ the time between now and his excitation with proporation for another and a better world.

His hour reminded him that should there have been any universal logal error in the proceedings, a hope might be closeled that it would be remedied by the Court of Appeals before whem, his counsel had desirated what has been an example had

manin and be hapt in safe masody.

The prisoner during the delivery of the nessence of the prisoner during the delivery of the nessence of the prisoner has been as the folded across his breast has dyne cast down. As soon so the Judge albaded to the hopes which might be entertained by the covarisps of the nessence by a higher court on the interpolation of Executive clemency, he appeared to cant off oil signs of four or despondency and raising his head be looked smiling about any of the court in costady of the shelf. With as must be sparsed uncomers on any of the wast crowd of spectators

The train of the representation of the Albert J. Graewell, was possipoped on motion of the Attorney General, in consequence of there here goes material defect in the in distribute. The Grand Jury here pass supresent to meet this morning, before whom a new indistinger will be ambinited.

rer to Charles M. Emmerces, thirteen notes payable of \$100 each, bearing legal interest.

Dean the jettaduction of the first witness, Mr. Emeranos, U. S. Johnson, posting for the against, raised a legal objection—Mr. E's essentiment having an insufficient. The mourt austrained the grounds assumed by Mr. Johnson. The flucture Astronomeron on the contents. The District Attorney gave by the profession and on tered a notice processing in the same, at the name time on-precessing his intention to chale out and cubmit to the Grego Jury another indistrict embracing the name shape.

The District Attorphy garried a nelle precessed in the name of Rancoli, a slave of Dr. Campbell, charged with stabbing with leaves to kill another slave.

REMARDED.-James Lamott, Thomas Gibbess at amination. After the tehtimony of four or fee witnessed had been taken, the further examination of the case yes more than the president same in the case in a proposed for the president. The large ingots of effice deposited by Hymna at the Migr is; relarge, and supposed to be the predace of the silver spoon and forth mitted down by him, were discovered by Lieut. Morel.

RT Liest. Moral on Batturday last, Horel,
RT Liest. Moral on Batturday last, discovered in the
house of Andre Romlio, a note, stoke by Lieke, a clave
of Mr. Buisses, from the house of Augusts Pendlesses.
Concern Rames on Batturday, held an inquest upon
the body of a man, name withnews, found drowmed in
Alte river. From the severe localding which was visible
anoma the hody, the decembed was supposed to have
lines and of the visiting of the explosion of the Mar-

gueste.

McCunny, the mardorer of Paul Roux, explained his crips upon the guillows on Haltimore, on the 29th all.
