SHEET LEAD AND IMPROVED PATENT LEAD PIPE.—The subscriber continues to manufacture his Improved Leaden Pipe, and solicits the attention of Planters and others to the same. This pipe affords great facility for the conveyance of water from long distances, either from springs or by pumps from streams, and merits the notice of residents on the Coast for the supply of their establishments. It can be made of any size, from one-fourth to four inches calibre, as may be desired, and affords decidedly the cheapest medium for the purpose.

Orders for the above will be filled at short notice by application to the manufacturer.
