Agency Sun Mutual Insurance Company.

NEW ORLEANS, Nov. 13, 1845.

THE SUN MUTUAL INSURANCE COMPANY OF NEW YORK in pursuance of their Charter, closed their accounts on the fourth of last month and after paying all their losses, including those of the great fire on the 19th of July last, have remaining in good assets, $675,939 60. Since then the premiums notes and cash received for risks taken exceed $100,000, which added to the above, make a fund of at least $700,000.

Since the 4th of last month, the parties doing business with the Company do not share in any way in the profits of the preceding year, which, with the means above stated, the undersigned believes, present more than ordinary protection and indemnity to persons desiring insurance.

Policies against the perils of Fire, Rivers and Seas, continue to be issued by L. MATTHEWS, Agent,
corner of Camp and Commerce sts.

MUTUAL INSURANCE.

THE General Mutual Insurance Company of New York having assumed and taken over the unexpired risks of the Ocean Mutual Insurance Company of the city (which Company has gone into liquidation) are prepared to insure against Fire River and Marine Risks at the office of the Ocean Insurance Company, No 45 Camp street, on the most favorable terms.

The "General Mutual Insurance Company" have a large capital well invested, they have paid back to the persons who have insured with them 30 per cent. of their premiums during the past three years, in scrip bearing 8 per cent. interest, payable annually; and as the business of the Company is conducted altogether on the mutual principle—that is, dividing among those who pay the premiums the entire profits of the office, as large a dividend as is paid by any other mutual office may be confidently expected from their future operations.

The Company offers the additional advantage to those who insure with them, of paying their losses either in New York or New Orleans, at the option of the assured.

SHOT LEAD AND IMPROVED PATENT LEAD PIPE.—The subscriber continues to manufacture his Lead Pipe, and solicits the attention of Planters and others to the same. This pipe affords great facility for the conveyance of water from long distances, either from springs or ponds from streams, and merits the notice of residents on the Coast for the supply of their establishments. It can be made of any size, from one-fourth to four inches calibre, as may be desired, and affords decidedly the cheapest medium for the purpose.

Orders for the above will be filled at short notice by application to the manufacturer.
