of the first to reduce t

their camp, whereupon the American Army moved their enempton the American Army moved their enempton the American Army moved their encappement four miles below. This step was doubtless taken by Gen. Taylor in order to avoid every appearance of any disposition to commit aggressions upon the west bank of the river, and to maintain strictly the defensive character of his operations. The most reliable statements represent the regular army in Matanoros to consist of 2000 soldiers and 500 rancheros. The Mexican cirizons of the Rio Grande are said to be quite disaffected to wards their own Government, and secretly triendly a full first it. Notice and to report. Mr. Taylor opposed the motion which was lost. Tween, 18 lays, a full first it is motion which was lost.

deers and 500 rancheres. The Mexican criticus of the Rio Grander or said to be quite deaffected to wards their own Greenment, and secrely triendist to the American cause.

New Work — Our thouse are due the publishers through the positiones of J. R. Steel. No. 11 Camp airect, for the following new publications.

Typic; a residuer in the Manquesta, by Horman Mexicile, in two parts. These volumes constitute Now 13 and 14 of Wiley & Poman's Library of American Books. They are extremely interesting, and furnish a graphic account of the manner, costons and handland arrative of the French occupation of Table and the provisional cosmon of the Sandwich Islands to Lord Paulet.

Table Tulk by Win. Hazlitt, comprising No. 59 of the Library of choice reading. These are brilliam essays full of vividly expressed, though not elaborately explained, views. They are rather stimulit to reduction, than completely formed theories. But Mr. Hazlitt will always be read with picasure, for he is a strong and fiscinative devices. This is the first of the series of Dickens' Italian skethes, of which so much hus been said. They are marked by paquancy of style, and talent for insuite observation and felicitous description.

House of 100 copies of Gayarrés Mr. Mr. Harlis the motion which was lost of Years, and the motion which was lost of Years, 18 nate in motion which was lost of Years, 20 pages of the Mr. Parts and Large and properly of purchase of 18 to 6.

Mr. Mayors bellowed, Mr. Sorth, sustaining the properly of purchasing to the lineary of the Library of the Library of the Englishers. The situation of the properly of purchasing the lineary of the Library of the properly of purchasing what would be the properly of purchase of 18 to 6.

The Parts and Pa

Stratism. James Gibson was yesterday arrested accorded of stealing some colohing from the trunk olohe of the sailors on board the brig Consort, lying between Toulouse and St. Louis streets.

U.S. DISTRICT COURT.—Judge McCaled.— J. Ferren is: The Steamboat Cadimas.—An application was thade to dismiss the seizure of the Cadimas in the class. Because the writ of seizure had issued on an at falow that the boat was about to leave the jurisdiy that the boat was about to be untrue; the fact bean.

Ducken's Hahan skethes, of which so much has been and. They are marked by puquancy of style, and taken for minute observation and felicitus description which dissinguish this successful writer.

Theodof the Icelander and Austaga's Knight; Two yery beautiful romances redokent of the Brond De Land Motte Foragie. Theodoff is usually considered his worse production. These volumes form Nos 60 and 61 of the Libeary of choice Reading.

To n Thursday last, may the Natchitoches Times, Augustus G Fashk was taken from our parish prison by the Sheriff of Barbour gousty, Alabama, our the requisition of the Governous skip that State. Mind the proposed of the party, the sentience was suspended and acchange of venus officers of ligues, which is positive to the gary, the sentience was suspended and acchange of venus officers of ligues, which is positive to the sentience was suspended and acchange of venus officers of ligues, which lie time, he made his recogn. A petition from a large number of the residents of the 1th Ward, was read, praying for the repeal of the ordinance relative to stray attinuish, within the limits of said Ward
On motion, said petition was referred to a special Committee of three members, with instructions to report at the next sating of the Council

CARL OF COMMITTEES.

Mr Wiltz, in beliaff of the Finance Committee

CALL OF COMMITTEES.

Mr Witz, in belaif of the Finance Commutee, presented the following report, which was adopted. The Finance Commutee have the honor to submit the following statements relative to the finances of the Municipality.

Statement A, shows the receipts, and expenditures of the Municipality from the time of the division of

scatement A, shows the receipts and expenditures of the Municipality from the time of the division of the city up to the 28th February, 1846.
Statement B, shows the receipts and expenditures of the Municipality for the past year, 88%, from the 18th March, 1845, to the 28th February, 1846.
Statement C, shows the habitities and assets of the Municipality up to the 28th February, 1846.
It appears by statement C, that the circulation of Municipal Notes on the 28th February, was \$90,14116. Since which time their have been burnt notes to the amount of \$\$\frac{1}{2}\$14,993.00.
Balance of notes on hand on that day,

\$\$\frac{5}{6}\$00.00-\$\frac{2}{3}\$0.593.00.
Reducing the sound similarity.

Reducing the actual circulation to \$69,540 16 without deducting notes presumed to be loss, which is estimated at from \$25,000 to \$30,000.

Your Committee beg leave to observe, that the proceeds o the lease of the Port do not appear on said statements, the amount having been applied to the payment of the interest due out the bonds of the Municipality.

Your Committee deem it unnecessary to make any further report, in as much as the statements formshed by the Treasurer, give all the incressary details which are required, to be submitted to your consideration P. S. WIL-TZ. Chairman.
