STATE OF LOUISIANA.—Parish Court for the Parish and City of New Orleans.—I hereby certify, that on the 2d March, 1846, judgment was entered in this Court in this suit, in the words and figures following, to wit:—No 16,837—Martha B Huywood vs Joseph Nash her husband. In this case the Court this day delivered the following opinion:—The Court being satisfied from the evidence, that the defendant is utterly insolvent, and that whatever funds the plaintiff might receive from the succession of her relatives might be endangered, it is ordered, adjudged and decreed that there be judgment in favor of the plaintiff, that the separate property of the defendant pay the costs of suit.

New Orleans, March 6th, 1846.

[Signed] CHARLES MAURIAN, Judge.

Judgment recorded in Judgment Docket ——, page ——.

In testimony whereof, I have hereunto set my hand and affixed the seal of the said court, at the city of New Orleans, on the 6th day of March, in the year of our Lord, one thousand eight hundred and forty-six, and in the 70th year of the Independence of the United States.

SAND'S SARSAPARILLA,

FOR THE REMOVAL AND PERMANENT CURE OF ALL DISEASES ARISING FROM AN IMPURE STATE OF THE BLOOD OR MARIT OF THE SYSTEM.

This valuable Medicine is now sold and unhesitatingly approved by the most distinguished of the Medical Profession throughout our country, and, by its intrinsic medicinal value, the public generally (but the afflicted particularly) have been made acquainted with its usefulness, in the removal and cure of diseases originating in the impure state of the blood. The Sarsaparilla is combined with other ingredients, all of which are held in the highest estimation by the most distinguished physicians.

As a mild aperient, antiseptic and tonic, it combines the three most useful properties of medicine. It purges, purifies and restores. Scrofula, Cancer, Leprosy, all Ulcers and Scrofulous Sores, all Diseases of the Skin, and all internal disorders not organic, but springing from a diseased state of the blood, are the first to feel its benign influence.

The following interesting case is presented, and the reader invited to its careful perusal. Comment on such evidence is unnecessary.

Messrs. A. B. & D. Sands,—Having used your Sarsaparilla in my family, and witnessed its beneficial effects on one my children, I feel it to be a duty I owe the community to make the case public. About two years ago my little son was afflicted with a severe sore head, which broke out in King's Evil, which broke in eight or nine places round the neck, jaw, and which finally affected his eyes, rendering him entirely blind. During the first year from the time he was taken, he was under the care of physicians, but continued to get worse until I despaired of his ever getting well. Having seen your Sarsaparilla advertised with certificates of its cures, I concluded I would give it a trial, and accordingly sent to Cincinnati and procured a few bottles, and now, after having used a few bottles, I have the gratification of saying he is well. The sores are all entirely healed, and his sight nearly as good as ever it was; and I have no hesitation in saying that he was entirely cured by the use of your Sarsaparilla.

Yours, truly,

E. BASSETT.

New York, April 22, 1845.

Messrs. A. B. & D. Sands,—Gentlemen,—I was troubled with a severe ulcer on my neck, which defied both skill and up to the knee, discharging very offensive matter, itching, burning, and depriving me of my rest at night, and very painful.

I was recommended to use your Sarsaparilla by Mr. James McConnell, who had been cured by it, and after using five bottles I was completely cured.

I have delayed sending you this certificate for one year since I knew the sores were healed, in order to ascertain with certainty whether it was a permanent cure, and I am now given me the greatest pleasure to add that I have neither seen nor felt the slightest reappearance of it, and that I am entirely well.

Yours, very truly, SARAH MINTYRE.

New York, Nov 20, 1845.

Messrs. Sands,—I deem it but a duty I owe to myself and the community at large, to relate the following facts which occurred in our neighborhood in the latter part of July last. Jane C——, a young girl aged fourteen years, was attacked with an immense sore on the middle of her back, which defied all the means of medical skill. At last some person mentioned to me your Sarsaparilla, and I immediately procured two bottles of Messrs. Mosely & Tuckey, your Agents
