Trino Distract.—In the Parishes of East and West Feliciana, East and West Baten Rouge, Iberserville, Pointe Couple and Avoyeles, Mr. Hansaneov has a majority of 924. The remaining parishes are Bt. Tantmany, Livingston, H. Helens, Washington, Concordia, Carroll, Tenas, Madhon, Franklin and Catahoula. We bearn verbally that the four first give Harmanson 363 majority, which makes his majority thus far 577. It will, we think, be reduced about one hundred by the remaining parishes. The vote, except in Pointe Copple and Avoyelles (the residences of the respective candidates) was very light, and in the aggregate will show a failing off of probably 800 or 1,900 since the presidential election.
