Che New-Orleans Deily Bee.

The news of the advance of our army to wards the capital of Mexico, the surrender of Jaiapa and capture of Perote, coupled with in of the war, is entenance of the war, is entena telingence of the prevalent feelings of the Me termed a government—while fully aware of the disastrous usue of the engagement at Cerro Gordo, and of its own incapacity to bring another army into the field, holds in guage enirely incompatible with its degraded position

sarctus of a population of eight millions to overcome the has to encounter the sulent vindicities. Course the has to encounter the sulent vindicities, though temporarily impotent haired of a more provertant for the violence of its prejudices and the contension of its religion. The nationities of Mexico refuse to treat for peace. The people in all directions he in wait to capture and kill every unprotected American. The city of Mexico is not the Republic. When the alliest current Paris, Stance useff was subdued; but we Americans may very well series and his to capture of Mexico, and yet he far from subjugating the cutter nation. Thus the contingency may happen when the single alternative will be presented to this government of manifesting a wast standing army in the heart of Mexico to guard the spolar opinion of our triangle a visat standing army in the heart of Mexico to guard the spolar opinion of our triangle a visat standing army in the heart of Mexico to guard the spolar opinion of our triangle a visat standing army in the heart of Mexico to guard the spolar opinion of our triangle a visat standing army in the heart of Mexico to guard the spolar opinion of our triangle and the spolar opinion of the members of the former committee.

The committee appointed to examine the manifestions of the members of the members of the following report which was adopted:

The committee appointed to examine the manifestions of the members of the members. All of the distributions of the members of the following report when the sold of the productions of the members appointed to examine the military of the production of the members of the following report when the sold of the production of the members of the following report when the sold of the production of the members of the following report when the sold of the production of the following report when the sold of the production of the following report when the sold of the production of the sold of the production of the following report when the sold of the production of the

This position of affairs is, of course, in some aware conjectural, but it is predicated upon its developed by the late interigence and which is over course the descentation of the loc and the Hilland mixes to another provisionally their memoribe electrimination to sufferevery exist that war can indict, ere there will yield. Pride in a predominating trait in the Mexican character, and were it united to more skill and courage ter, and were it united to more skill and courage ter, and were it united to more skill and courage ter, and were it united to more skill and courage ter, and were it united to more skill and courage ter, and were it united to more skill and courage ter, and were it united to more skill and courage terms of the state and suffered to the resonant terms of the state and suffered terms of the total state of the form of Mr. Holland, in the council proceeded by hallot to the election of a Secretary Mr. Holland an encounter the state and suffered terms of the state and

Figst Distance Court—A nolle proceed as emerged yesterslay, in the case of John M. Tyler, charged with larceny. The Court next sailed the case of Cyrot Gentes, account of Figure The Stry was already impatigled at discount was affected to the indistance the quantum the court of the indistance of the court. RECORDER BALLERIN.—James Taylor, arrest-d a short time ago on a charge of receiving olen property, knowing the same to be stolen, as brought yemerday before Recorder Bald-in who have the stolen.

Williams will be emblaced this morning before Recorder Baldwin. Recorder Baldwin an inquest on the bydy of James Merritt, aged about 38 years, a sergment in captain Atkin's Company. It regiment Louisians Volunters the died in the watch house where he had been conveyed, after his attreal in this city from Mexico. Verdict "Chronic diarrhosa."

GENERAL COUNCIL

of the City of New-Orleans.

String or Mospay, 3rd May, 1847.

This being the day appointed by law, the theneral Council of the City of New-Orleans, and May and May and May and May and May are all the No.

one:

Mr. G. Cruzzi. was called to the chair.
On motion of Mr. Wilder, Mr. P. C. Cuvellier, was knowned to the chair.
Mr. B. Cruzzi. was called to the chair.
On motion of Mr. Wilder, Mr. P. C. Cuvellier, was knowned Secretary pro. term.
