n of standing ability from the Eastern S

arter above the corrency of yellow

provement is likewise in a great messure at-

character, and inquiries from the trade are more than ordinarily general. In the Manchester market there is an obvious

lesire to purchase, but the ascending disposi-ion of our market has checked transactions and tons of our market has checked transactions and led to the reliminishment of heavy contracts which would otherwise be accepted. The or-ders executing for the United States were hea-vier than have been known for many years.

METALS.—The Caledonia brought considerable orders for manufacturers' iron, and as the stocks in the United States are generally pre-

lead or copper, but the U.S. lead in ted and 15 10s. a £16 10s.

The following resolutions were submitted by Mr. Harris. They were preceded by an eloquent and impressive preamble, and were unanimously adopted.

Therefore, he it Resolved by the Whigs of Maryland in Convention assembled, that they approach with profound respect, the sanetaery of private sorrow, and tender to Henry Clay their sincere and heartfelt sympathy upon the occasion of his Son's death, and would as ure him of the continued strength and fervor of that allection which Maryland has ever felt and will ever teel for him.

Resolved, That in copy of this preamble and resolutions be signed by the officers of the Conversion, and transmitted to Mr. Clay by its

lowing resolu

the unanimity of its action, and the excellen

mander of the Chibushua expedition

THE NEWS AND THE MARKETS-The Balti-

The Philadelphia Correspondent of the Bal-

and made this remark in conversation of the conversation of the friend.

"In the Florids' war I preserved my health solely by temperance. Where the water was very papare, some of the officers and then issued on the amolian accounty of suggr arborned that they fired the worns for it. As for spark I would not the worns for it. As for spark I would not the worns for it. As for spark I would not the worns for it. As for spark I would not the worns for it. As for spark I would not the worns for it. As for spark I would not the worns for it. As for spark I would not the worns for it. As for spark I would not the worns for it. As for spark I would not clearly from redinant, and content rityelf with such a beverage."

POTOMAC.—The Weshington Correspondent of the Baltimore Patrick, speaks of Lieutemant HUNTER, the Hero of Abvarado, it accounts at the spark the pre-

Santa Ana was still in power, bit resignation having been withdrawn, or not accepted. Faction ruled the hour in Mexico, the chizen's being divided and spits into hoselle seets and parties. Such a state of feeling does not seem favorable to a 'poirted and unted resissance. Gen. Almonte was still in prison.

The result of the Presidential election is still uncertain. Chibushou voted for Santa Ansa. It is probable that there is no choice by the Santes, and that Congress will lave to select a President. A number of private letters and public documents have been intercepted by the Mexicous, and are eigher published or commonly marke created desired relaxs.

Mary Land General Taylor

Mary Land General Taylor

The Whig State Convention of the old Mary-and line assembled at Cambridge on the 16th

esolutions be signed by the officers of the Con-cension, and transmitted to Mr. Clay by its Presiding Officer.

Mr. Buchanan then rose and offered the fol-

lowing resolution:

Resolved, That the high intellectual capacity the noble and generous qualities of the heart, the cool bravery, extraordinary prudence, and the noble and generous qualities of the heart, the cool bravery, extraordinary prudence, and strong practical good sense which have uniformly distinguished May. Gen. Zachary Taylor, as a citizen and a so dier, "gave the world assurance of a man" in whom the highest trust under our Constitution, may be reposed with entire confidence.

This resolution was received with immense enthusiasm, the mention of Old Rotun and Raylor and the confidence of appliance.—Mr. Johns of Somerset seconded the resolution, and having first congratulated the Convention on the unanimity of its action, and the excellent.

on the unanimity of its action, and the excellent feeling which he found to pervade the inembers universally in regard to the admirable monima-tion which the Convention had made, entered into a series of eloquent remarks in relation to the enument services of General Taylor, detail-ing his numerous actions, his privations, and his glorious achievements, under the most can-barrassing circumstances.

General Taylor has been nominated i

heroc commander of the Chibanina expedition, whose troumphont march resembles the progress of Cortez, is spoken of as the Whig candidate for the next Governor of Missouri. How happens it that nearly every conspicuous officer of the army in Mexico is a "Mexican Whig?" of the army in Mexico is a "Mexican Whig?" of the army in Mexico is a "Mexican Whig?" of the army in Mexico is a "Mexican Whig?" of the army in Mexico is a "Mexican Whig?" of the army in Mexico is a "mexican Whig?" of the army in Mexico is a "mexican Whig?" of the army in Mexico is a "mexican Whig?" of the army in Mexico is a "mexican Whig?" of the army in Mexico is a "mexican Whig?" of the army in Mexico is a "mexican Whig?" of the army in Mexico is a "mexican Whig?" of the army in Mexico is a "mexican Whig?" of the army in Mexico is a "mexican Whig?" of the army in Mexico is a "mexican Whig." of the army in

Lieut. Col. Chas. A. May, of the U. S. Dragoons, was among the passengers who reached Washington on the 17th inst., from the South. We presume, says the Intelligencer, that he returns to his nature city at this juncture, in order to make a biref visit to his matury relations and friends, by whom he will be cordially greeted. Separated the Albany Hospital in a single day.—

Separated the patients. Several of the nurses and physicians have died.

Kentuck.—In the 18th Congressional District, Leasner M. Cockser M. Cox is the Whig candidate and Thos. Throor, the Locofoco. The District was represented in the last Congress, by Mr. Termson, a Whig, who was elected by 50 ma. Jority.

The News and the Massers.—The Balit.

Indeed on Friday, 28th ult., show the amount of notes the settled at the indentation on the week ending to that the field att., including 7 day and other bills, to have ending the 2014 of have been £19578283. The amount of gold and elever coin and ballion in the hands of the ball, was £2944,630, showing an increase of £186,600.

Simpwerk.—The American ship Mary Alten, Capt. Dearthorn, has been totally long, with three of her crew. She sailed from Mary in the first of the confine was an appraise of the confine and a first of the confine

Dr. Chaimers, the emigraut meologian, di 197. Chainers, the emigrant meologian, dies suddenly on Monday last. The first meeting of the Lrish confederation or Allstrass for national purposes, was held or Monduy; it professes to combine Irishmen o every grade and section of opinion to watch over the rights and interests of the co to crease, foster and develop a nound Irish poli-lic opinion, irrespective of party.

The prices at the last date, June 4, compared with those of the 10th Maria.

The Philadelphia Correspondent of the Baltimore Assertion, writes as follows:

PHILADEPRIES, June 11, P. M.

The receipt of the European intelligence, not vet fully digested, has unsettled the market; Plour is offered at 84, without buyers or any thing to establish preses; Caston is mere firm. Stocks were not materially changed is price, tending downward however, Penna, 5's closed at 815-8a81-3-4; Reading Road bonds 772-8a.

771-2. popular virtuin a day or two, received from every stending downward however, Penna, 5's closed at \$15.82813.4; Reading Road bonds 77.38.

Polk Stenking Tyler Thumader.
Ono Zaok and Ma. Polk.—Whenever Gen. Tylor's victories are lauded, the Lacos claim the need of great sungaeity for Mr. Polk, for selecting Gen. To combination our forces.
Now, the fact is, diam Mr. Polk is not ever entitled to this compliment. If there is any credit in selecting a commander who had of ready proceed his copecity, that credit is due to Mr. Tyler's fire Gen. Taylor's appointment; to the command of the army at Corpus Chinitis was made by the War Department where his Administration; and Mr. Polk merely confirmed him in the continued. In connection with this subject, we may remark that, if there is any credit in a the confinence of the command of the first poly of the belief that there will be an average crop, tredit does to any body for the animonation of Texas, Mr. Tyler is entitled to; I was his (Va.) Intelligencer.

Gen. Taylor's Temperance.— A few years ar the annivarion of led to: I it was his led to: I it was his more planted this year than ever before, and we believe that from this source, an increase will believe that from this source, an increase will be the will make than counterful. GEN. TAYOU'S TEMPERANCE.—A few years ago, Gen. Taylor visited the Northern States, and made this remark in conversation with a friend.

"In the Florida wer 1 preserved my health

clear it from retinant, and content right with the point of the listing of the Batting Parties, and property for the Batting Parties, property for the Batting Parties, and parties, a

point, toogu intainentente, of a ure of the potate crops less in a Jersey, have also had their age and the same and though Plour had declined as the same better, at is now worth 42s, and may be fitting quested at 43 shiftings for best Western. Sour avesages proved the same and the same and

States to Great Britain and Ireland, from the 1st of September, 1846, to the 14th of May, 1847, appears to be:—Floar, 1,856,802 barrels COTTON-The tone of this market since the COTTON—The tone of this market since the departure of the last steamer has materially improved. The apprehension of short receipts, and of the backward season for the growing crop, have caused the decided advance. Tos

of the Cotton trade presents a very encouraging

were brought up yeaterday before Recorder Genois, who remanded them for further examination.

John Williams and John Dayley were arrested on a charge of having assuited and robbed fir James Delaney. The presences will give this months an account of themselving an account of the morting an account of the morting an account of the morting as seventians. The sairs of the week ending the 28th ultamounted to 39,000 bales. Upland descriptions rated at 5 1-2 a 7d.; Orleans 5 5-8 a 8 1-2d.; Alsbams and Mobile 5 3-4 a 7 1-8d.; Sea Island 12 1-2 a 20 1-2d. per lb. East India is quoted at 1-8 a 1-4d. higher sines the last steamer.

The market retains an unquestionably firm character and positive form the steamer.

if General Taylor is for too good a man to associate himself with the Whign, encore motion can be head the party of Sans-Calatta.
