A Whig Congress.
The election of four Whig members of Congress in Maryland, places beyond; a doubt the

A M bit on depressed.

The control of the control o

legislature. The first secures the U Boose of Representatives; the second enable moto control the finances, and shape the legislation of the State. Thomas's majority for Governor will be from 800 to 1,000. The representation of Maryland in the next Congress will stand thus:

Line of Communications Briwger VeraCruz and Gra. Scorr—We learn, says the Washington Usion of the 9th, that the views of Major Lally, respecting the re-occupancy of Jalapa, have been long since anticipated by the War Department, and that, as searly as Angust 12th, instractions were despatched by the Adjust 19th, instractions we

trenched position between the lines of Monte-yideo and those of Gen. Ozraz, and insisted upon being informed of the true causes which influenced England to withdraw from its al-iance with Montevideo. The Montevidean flovernment could not impart the derired in-formation, and matters were in a very preca-rious state, the dissatisfied portion of the gar-rison having turned their artillery upon the city, and threatened to fire upon it. The authorities

The state of the s

Mosquera left Bogota towards the end of July, on a tour to the provinces of the south, the Lathmans, Magalaen and Antiquius, with a view to promote commerce, intercommunication, and other local improvements. His tour would be extended through five months.

The aspect of affairs in E-mador threatens a revolation. The family of Gen. Flores is said to be in the greatest distress. The local news from this country is without interest here.

LATER FROM THE RIVER PLATE—By the arrival at Blatimqte of the larque Francis Partriale, affairs in the largue Francis Partriale, affairs in the RIVER PLATE—By the arrival at Blatimqte of the larque Francis Partriale, from Buenos Ayres, which sho left on the 8th August, the fiditors of the American have received late intelligence respecting the difficulties in the RIVER PLATE—By the arrival at Blatim for the process partrial at Blatim for the British Minister, so much so that a part offidem, under Col. Flores, had fortified themselves and taken up an entrenched position between the lines of Montevideo were highly excited at the action of the British Minister, so much so that a part offidem, under Col. Flores, had fortified themselves and taken up an entrenched position between the lines of Montevideo with the work of the British Minister, so much so that a part offidem, under Col. Flores, had fortified themselves and taken up an entrenched position between the lines of Montevideo the Montevideo. The Montevideo is an admirably adopted for the trade.

Heavy and Beafractive Rusin Riopen. The President in the Riopen with Montevideo. The Montevideo in the country around were visited, on the night experient the 9th Representative District in the Riopen and those of Gen. Ours, and insisted tipon being informed of the true causes which influenced England to withdraw from its alience with Montevideo. The Montevideo in the country around were visited, on the night and the country around were visited, on the night and the country around were compared in tortical property. We copy from the Bu
