After some other business of little interest, the consideration of the Yucasan Bill was resumed. Mr. Houson rose and made a long speech in favor of the bill, in the course of which he denied faving ever stated that Texas had coquetted with England, pending the Ansexation question.

Mr. Hannegan followed urging the importance of prompt action, and declaring that it had become a question—shall we or shall England become a question—shall we or shall England take possession of Yucasan?

Some forther debate occurred, Mr. Calhoun arguing that there was not the slightest probability that England would interfere or take possession of Yucatan. He was ready to take the responsibility of this declaration. He had casemined the correspondence which had been referred to, and there was nothing in it to warrant such a conclusion, Mr. Crittendern and Mr. Westcott continued the discussion—the one in opposition to, and the other in favor of the bill. The subject was then passed over informally.

In the Housa, the bill granting bounty lands to officers promoted from the ranks, was adopted, with a single amendment, requiring that the officers preferred to, "shuftl have been elected," while a mendment to the five promoted from the ranks, was adopted, with a single amendment, requiring that the officers preferred to, "shuftl have been elected" in the room of the first bladway arrested by the \$2 Musucipality of the shuftled for husband, Parisk Howney, on the 6th inst, as the correspondence which the shuftled for husband parisk Howney who charged limit he officers referred to, "shuftle have been elected for the ranks, was adopted, with a single amendment, requiring that the officers referred to, "shuftle have been elected for the ranks of the first bladwin." FROM RIO JANKIRO.—By an arrival at Balti-more, intelligence from Rio Janeiro to the 29th March, has been received. The San learns from a passenger, that there had been a change of Ministry in Brasil, and that the liberal party was in the sacendant. This change, however, had no connection with the state of affars in Eu-
