shavery, and inserting a new section embracing the Missionri, or rather the Texis compromise, providing that new Sistes may have time to be found of of these perfectives and admired onto the Union, and that Slavery shall be prohibited North or 36-39, but may be admirted or prohibited North or 36-39, but may be admirted or prohibited South of that line, as the people thereof shall determine, when applying for admireson. The proper can expend considerable debate, and no action was had either on the amendment of the bod used, when the House adjourned.

Also unward of Universal I had been above figure for propersion of the property of

The Percentation of the Sword.
We are no admirers of affairs of this sort, but as faithful chroniclers of passing evenus; we are free to say that the whole thing went off well.
At 1 r. m., the procession was formed on Canal street by Col. Palfrey, one of the veterans of 1815, with a fine band of music in front, and the layer mission was formed. lively quick-step kept by its numerous followers gave evidence that they were prepared for com ing events, and they were not disappointed. A ter marching through Canal to Camp street they halted at the Armory Hall, where a goodly number were ready to view the crowd. After the audience became still, Gov. Johnson, in full

the audience became still, Gov. Johnson, in full military attire, armee and asid:

"General, although you are not the first of our Mexican heroes that have challenged our admiration for prowess—vert, we feel not the lew—arr, in relation to the Mexican war, in which tou have done so mach for your country, recently engaged. I have only to say, that on this beaution sword you will find inscribed:
"The Hero of Contretas," I now prepent it to you, sir, "the swerioble Hero of Contretas."—(Enthosiestic applause.)
