A SURE REMEDY: A PREVENTIVE:: A CURE:

THE following Letter is from Mr. WOODWARD, of St. Louis, to J. N. HARRIS, Esq., New London, Conn., General Wholesale Agent for our PAIN KILLER.

Mr. Woodward is a resident of St. Louis, a gentleman of high respectability, and during the prevalence of the cholera in that city, he saw many of the result of the application of our Pain Killer for this disease, and his testimony can be relied upon with the utmost confidence.

St. Louis, May 31, 1849.

J. N. Harris, Esq.—Dear Sir: You will recollect when I saw you in New London, on my return, of my expressing to you my most sanguine expectations that OUR PAIN KILLER would have a tremendous sale in the West this season, and my anticipations have been more than realized, and the testimony of families who have used it has been that they would not be willing to go to bed at night without it in the house.

On the appearance of the cholera in the city, such was the confidence in the Pain Killer as a remedy, that many who purchased it remarked to me that if they had difficulties between the proprietors, were re opened on the 23d July, 1849, where baths as usual may be taken. If care, cleanliness, and obliging attention to visitors is worthy public patronage, the proprietor begs to inform the public that no other establishment in this line will have higher claims to public favor.

AUCTION SALES.

THIS DAY.

Liberal credit—Sale of choice Cypress Swamp Lands, on the Bayou Lafourche.

WILL commence this day, on the opening of navigation, by which passengers will be taken between

Chicago and Buffalo,

in from 30 to 45 hours, and to New York in from 36 to 70 hours, shortening the line between Chicago and Buffalo to less than one third that of any other route.

A steamboat will leave Milwaukie every morning and Chicago every morning and evening for New Buffalo, (the western terminus of the Rail Road,) which with the Cars to Detroit and Steamboats to Buffalo, will form

Two Daily Lines

from Chicago to Buffalo, connecting directly with the Cars from Buffalo to Albany, and Steamboats to New York or Cars to Boston.

Going West, a Steamboat will leave Buffalo

EVERY MORNING AND EVENING,

running from the Cars of the Albany and Buffalo Rail Road, for Detroit, thence by Rail Road to New Buffalo, and by steamboat from the morning train at New Buffalo to Milwaukie and other ports, and from large Packets on the Illinois and Michigan Canal to Lasalle, thence by the Rapree Line of

FIRST CLASS RIVER STEAMBOATS

to St. Louis, and by the Lower River Steamers to towns up the Mississippi and New Orleans.

This Rail Road, with the Steamers in connection from Chicago to Buffalo, for regularity, safety, speed, general management and accommodation, forms in every respects a

SUPERIOR FIRST CLASS ROUTE,

and altogether the cheapest from the Mississippi Valley and the shores of the Lake Michigan to the east.

The following Steamboats will run in connection with the Michigan Central Rail Road:

Between Detroit and Buffalo, DAILY, leaving both places in the morning—through without landing—Steamers

Hendrick Hudson, Baltic, Empire, Oregon and Niagara.

The Lake Steamers of the above line, for strength, speed, finish, and magnificent furniture, are believed to rival any like number of steamers that have ever been run in connection on fresh water, offering at reasonable rates accommodations not any where surpassed. Among them are many entirely new, and of the most expensive character.

Every effort will be made to render most desirable the superior accommodations of this route.
