THE ELECTION ON SATURDAY.

The election on Saturday, for the improvements and the special tax recommended by the Council of the First Municipality, passed off quietly and without the slightest excitement — Only 351 votes were polled, and we are gratified to see that both measures were carried by a very decided majority. Most of the voting was done by the real property holders, and as the entire amount involved in question is nearly half a million of dollars, it shows a commendable degree of public spirit on the part of the inhabitants of the First Municipality in having come up so manfully to the work.

We were mortified to perceive that our uptown colemporaries with few exceptions, took so little interest in the matter, that they did not even condescend to inform their readers on Saturday morning that an election was to be held. Doubtless many residents of the Second Municipality are annoyed at the public spirit manifested down town, but such sectional jealousy is quite unworthy of a liberal mind, and the press ought to be the last to encourage the evil. The smallness of the vote is attributable, in some degree, to the lack of publicity. The following is the result of the election:

	For.	Against.
1st Ward,	75	45
2d Ward,	62	21
3d Ward,	112	30
4th Ward,	77	23
5th Ward,	37	74
6th Ward,	52	26
7th Ward,	31	52
Majority in favor of the measure,	459	251
