MULLEIN & SARSAPARILLA.
To put up in 100 quart bottles, and contain the
strength of SIX TROY OZS. as much pure Honeys-
uckle Sarsaparilla as any similar preparation
made in America.
Price \$1 per bottle, or six bottles for \$5.
IT HAS been a well established fact for years past
that Sarsaparilla, when pure and properly pre-
pared, was the only true panacea for old fashioned colic,
having also an impure state of the blood, the use of
which, however, would drive evil health to yester-
day. We highly recommend JOHN
BLILL'S FLUID EXTRACT OF SARSAPARILLA
is the only preparation before the public that is pre-
pared on strictly scientific principles and of unsur-
passed strength. The Sarsaparilla is prepared without re-
gard to price, and every pound, before being used, is
subject to the strictest chemical tests, and literature.
