

Correspondence of the Bee. I do not see records of the case, but on Friday last, a very general day in this city...

Some eight or ten new banks are just getting into operation here. Some of them are for bank offices, and merchants in want of bank...

It is not common here for men on the bank of money to stretch their expense, though they make a great deal of money...

to mind that the grandfather of the prince, whose baptism he wanted to receive, had been murdered and shot by the King's death...

Paris is tranquil, and the populace engaged in the pleasures of the season. The students of law and medicine are in the midst of their studies...
